| <i>Please answer all the questions in this group.</i>                                           |                                                                                                                                                                                                                                                                              |
| What is the sampling surface area in square feet                                                | 1                                                                                                                                                                                                                                                                            |
| What is the estimated number of samples that will be gathered                                   | 2                                                                                                                                                                                                                                                                            |
| Sampling date pursuant to Subparagraph (a) of Paragraph (1) of Subsection D of 19.15.29.12 NMAC | 09/11/2026                                                                                                                                                                                                                                                                   |
| Time sampling will commence                                                                     | 10:00 AM                                                                                                                                                                                                                                                                     |
| Please provide any information necessary for observers to contact samplers                      | Field conditions are unpredictable, please contact Rozanne Johnson at (575) 631-9310 for a more specific time frame and additional information. Groundwater Abatement - Monitoring Well Sampling (1R425-67)                                                                  |
| Please provide any information necessary for navigation to sampling site                        | From the intersection of Buckeye Road and Vacuum Complex Lane, go south on Vacuum Complex Lane until you come to the first lease road on the left. Take the lease road south-east to the tank battery. The site is located on the east side of the battery by the separator. |
