**QUESTIONS****Subsequent Report of: Location Ready For OCD Inspection After P&A**

*For the sake of brevity and completeness, please allow for the following in all groups of questions and for the rest of this application:*

- lease and well location, hereinafter "location";
- flowlines or pipelines, hereinafter "pipelines";
- and non-retrieved or abandoned, hereinafter "abandoned".

|                                                                                                                                                                 |     |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Was this the last remaining or only well on the location                                                                                                        | Yes |
| Are there any abandoned pipelines that are going to remain on the location                                                                                      | No  |
| Is there any production equipment or structure (not including steel marker, poured onsite concrete bases, or pipelines) that is going to remain on the location | No  |
| If any production equipment or structure is to remain on the location, please specify                                                                           | N/A |

**Site Evaluation**

*Please answer all questions in this group.*

|                                                                                                                                     |                                                                                                                                                                                                            |
|-------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Have all the required pits been remediated in compliance with OCD rules and the terms of the Operator's pit permit and closure plan | Yes                                                                                                                                                                                                        |
| Have the rat hole and cellar been filled and leveled                                                                                | Yes                                                                                                                                                                                                        |
| Have the cathodic protection holes been properly abandoned                                                                          | Yes                                                                                                                                                                                                        |
| Has a steel marker, at least 4 inches in diameter and at least 4 feet above ground level, been set in concrete                      | Yes                                                                                                                                                                                                        |
| The (concrete-set) steel marker shows:<br><i>Must attach marker photograph(s). *</i>                                                | <b>THE OPERATOR NAME, LEASE NAME AND WELL NUMBER AND LOCATION, INCLUDING UNIT LETTER, SECTION, TOWNSHIP AND RANGE, SHALL BE WELDED, STAMPED OR OTHERWISE PERMANENTLY ENGRAVED INTO THE MARKER'S METAL.</b> |
| Has the location been leveled as nearly as possible to original ground contour                                                      | Yes                                                                                                                                                                                                        |
| Have all the required pipelines and other production equipment been cleared                                                         | Yes                                                                                                                                                                                                        |
| Has all the required junk and trash been cleared from the location                                                                  | Yes                                                                                                                                                                                                        |
| Have all the required anchors, dead men, tie downs and risers have been cut off at least two feet below ground level                | Yes                                                                                                                                                                                                        |
| Have all the required metal bolts and other materials have been removed                                                             | Yes                                                                                                                                                                                                        |

***Poured onsite concrete bases do not have to be removed.***

|                                                                            |     |
|----------------------------------------------------------------------------|-----|
| Have all the the required portable bases been removed                      | Yes |
| Have all other environmental concerns have been addressed as per OCD rules | Yes |
| If any environmental concerns remain on the location, please specify       | N/A |

*\* Proof of the site marker (photograph) is required.*

*Please submit any other site photographs that would assist in documenting the above answers, site features, additional concerns, or other nearby / remaing structures and equipment.*

**Abandoned Pipelines**

*Only need to provide answers in this group, if any pipelines have been abandoned (in accordance with 19.15.35.10 NMAC).*

|                                                                                                                                                       |     |
|-------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Have all fluids have been removed from any abandoned pipelines                                                                                        | Yes |
| Have all abandoned pipelines been confirmed to <b>NOT</b> contain additional regulated NORM, other than that which accumulated under normal operation | Yes |
| Have all accessible points of abandoned pipelines been permanently capped                                                                             | Yes |

**Last Remaining or Only Well on the Location**

*Please answer all questions that apply in this group, specifically if there is no longer going to be any well or facility remaining at this location.*

|                                                                                                                                                        |     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Have all electrical service poles and lines been removed from the location                                                                             | Yes |
| Is there any electrical utility distribution infrastructure that is remaining on the location                                                          | No  |
| Have all the battery and pit location(s) have been remediated in compliance with OCD rules and the terms of the Operator's pit permit and closure plan | Yes |
| Have all the retrievable pipelines, production equipment been removed from the location                                                                | Yes |
| Has all the junk and trash been removed from the location                                                                                              | Yes |
