EOG Resources, Inc. (EOG) respectfully requests a two-year extension of the permits to drill the following wells that expire on 4/8/2024:

HOLYFIELD 9 FED COM #103H 30-025-50182
HOLYFIELD 9 FED COM #203H 30-025-50183

The simultaneous development and production of all formations would exceed infrastructure capacities potentially resulting in the need to flare gas and/or truck oil and water. Additionally, recent well results suggest that optimal development of this formation to harvest the most minerals and reduce waste will require supplemental permits.

We plan to spud these wells on 4/1/25.
