CONDITIONS OF APPROVAL

Sundry Notice of Intent ID # 2783033 Request to Extend Temporary Abandonment

Operator: LOGOS Operating LLC
Lease: NMSF 078887
Agreement:
Well(s): Rosa Unit 296, API # 30-039-24896
Location: NWNW Sec 12 T31N R4W (Rio Arriba County, NM)

The request to extend the temporary abandonment (TA) is approved with the following conditions:

1. No well shall be TA without prior approval from the authorized officer or representative.
2. This approval is granted for a 12-month period until May 1, 2025. Before this approval expires one of the following shall be submitted:
 - a. A sundry notice (Notice of Intent – Temporary Abandonment) to keep the well in TA status with engineering and/or economic justification for up another 12-month period. Provide details on the future beneficial use for the well with proposed dates.
 - b. A sundry notice (Notification – Resume Production) reporting resumption of production within 5 business dates after the well resumes production.
 - c. A sundry notice (Notice of Intent – Plug and Abandonment) to plug and abandon (P&A) the well. While not necessary to P&A before May 1, 2025, a sundry notice must be submitted prior to that date. The P&A will then have to occur within one year of the approval of the NOI.
3. This agency reserves the right to modify or rescind approval. A plug or produce order may still be issued at the discretion of the authorized officer.

4. The lease is currently held by production from other wells. Should production from the lease cease, the BLM may require this well be returned to production or P&A, regardless of the amount of time the TA status is still approved for.

For questions concerning this matter, please contact Matthew Kade, Petroleum Engineer at the BLM Farmington Field Office, at (505) 564-7736 or mkade@blm.gov.
