**QUESTIONS**

| Subsequent Report of: Location Ready For OCD Inspection After P&A                                                                                               |               |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| Was this the last remaining or only well on the location                                                                                                        | Yes           |
| Are there any abandoned pipelines that are going to remain on the location                                                                                      | No            |
| Is there any production equipment or structure (not including steel marker, poured onsite concrete bases, or pipelines) that is going to remain on the location | No            |
| If any production equipment or structure is to remain on the location, please specify                                                                           | Not answered. |

**Site Evaluation**

Please answer all the questions in this group.

|                                                                                                                                     |                                                                                                                                                                                                                   |
|-------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Have all the required pits been remediated in compliance with OCD rules and the terms of the Operator's pit permit and closure plan | Yes                                                                                                                                                                                                               |
| Have the rat hole and cellar been filled and leveled                                                                                | Yes                                                                                                                                                                                                               |
| Have the cathodic protection holes been properly abandoned                                                                          | Yes                                                                                                                                                                                                               |
| Has a steel marker, at least 4 inches in diameter and at least 4 feet above ground level, been set in concrete                      | Yes                                                                                                                                                                                                               |
| The (concrete-set) steel marker shows:<br>Must attach marker photograph(s). *                                                       | <b><u>THE OPERATOR NAME, LEASE NAME AND WELL NUMBER AND LOCATION, INCLUDING UNIT LETTER, SECTION, TOWNSHIP AND RANGE, SHALL BE WELDED, STAMPED OR OTHERWISE PERMANENTLY ENGRAVED INTO THE MARKER'S METAL.</u></b> |
| Has the location been leveled as nearly as possible to original ground contour                                                      | Yes                                                                                                                                                                                                               |
| Have all the required pipelines and other production equipment been cleared                                                         | Yes                                                                                                                                                                                                               |
| Has all the required junk and trash been cleared from the location                                                                  | Yes                                                                                                                                                                                                               |
| Have all the required anchors, dead men, tie downs and risers have been cut off at least two feet below ground level                | Yes                                                                                                                                                                                                               |
| Have all the required metal bolts and other materials have been removed                                                             | Yes                                                                                                                                                                                                               |
| <b>Poured onsite concrete bases do not have to be removed.</b>                                                                      |                                                                                                                                                                                                                   |
| Have all the the required portable bases been removed                                                                               | Yes                                                                                                                                                                                                               |
| Have all other environmental concerns have been addressed as per OCD rules                                                          | Yes                                                                                                                                                                                                               |
| If any environmental concerns remain on the location, please specify                                                                | Not answered.                                                                                                                                                                                                     |
