Re: Lovelace 27 Fee 2 and Tank Battery
Section 27, T22S, R27E
Eddy County, NM

Dear Mr. Vannatta,

I hope this letter finds you well. I am writing on behalf of Mewbourne Oil Company regarding our current location, well, facility and tank battery located in Section 27, T22S, R27E.

As you are aware, the location, well, facility and tank battery were initially established to support our operations in the area. However, due to changes in our operational requirements and environmental considerations, we no longer require the use of this facility. We have taken all necessary steps to ensure compliance with regulations and safety protocols during our operations.

We kindly request that, as the owner of the land, you release Mewbourne Oil Company from any further obligations related to the location, well, facility or tank battery. This includes any maintenance responsibilities, lease fees, environmental remediation or other associated costs. We appreciate your understanding and cooperation in this matter. Once the plugging operations are complete Mewbourne Oil Company will gift the equipment to you as the owner of the land.

Please consider this letter as our formal request for release. Kindly sign and date below.

Thank you,

John Ed Singleton
