Subject: UPDATED Perforation Request - State Com L 8A - API 3004521706

Good afternoon,

Disregard the previous email I just sent; I had to update the distribution list.

Please see the attached CBL for the State Com L 8A (API 3004521706). This well passed its state witnessed MIT and we would like to request permission to **perforate the Fruitland Coal interval from 2,667'-3,007'**. Please also see the attached email regarding the change to the NOI top depth. We filed the revised NOI as directed and are awaiting official approval. Please let us know if we have permission to proceed with this work.

Thanks,

**Tyler Portwood**
