We had 5 approved and decided last week not to recompile the 1 of the 5. So, this is the last C-103 you will be receiving from me. You should now have the C-103 as-completed forms for the following wells:

VPR A 111  
VPR B 023  
VPR D 007  
VPR D 180

We are not moving forward with the VPR D 043.

If you have any other questions, please let me know.

Thanks Carla,  
I wasn't around during the NOI approval for these.  
Do you remember how many of these were approved for recompletions?  
Or do you have a list of those?
