**This email message was received from the Internet and came from outside of Kinder Morgan**

The remediation plan submitted for your CC14 and CC14X location is hereby approved. It is also acknowledged that the other locations have re-vegetated naturally and require no more action on Kinder Morgan's part.

**Subject:** Reclamation plan on the Cottonwood Canyon Unit

**Importance:** High

Hi Ed,

Just a follow up email to our phone conversation yesterday I am attaching a copy of the P&A plan for the CC14 and CC14X wells that was approved by NMOCD, included also is the approved reclamation plan for the location. As discussed we will not be doing reclamation on any of the older locations (CC5, CC6X, CC11, CC12, CC3, CC4, CC7X) due to them already re-vegetating.

Can you please approve this going forward plan?

Thanks

Thomas White
