Dear Ms. Thompson:

We have received your request to add the well reference above to the existing surface commingling agreement for the North Dufers Point CPD #97133.

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with and there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request is hereby approved.

Our approval

- is subject to like approval by the New Mexico Oil Conservation Division. We have obtained a copy of the applicable OCD Order (Administrative Order PLC-387-A).
- does not constitute the granting of any right-of-way or construction rights not granted by the lease instrument.

If you have any questions or if we may be of further assistance, please contact Commingling Manager Marilyn Gruebel at 505.827.5791.

Respectfully,

  
AUBREY DUNN
