- A. Determine that the Federal lease or leases as to the lands committed to the attached agreement cannot be independently developed and operated in conformity with the well-spacing program established for the field or area in which said lands are located, and that consummation and approval of the agreement will be in the public interest.
- B. Approve the attached communitization agreement covering: Lots 1, 2, E/2NW/4, NE/4 (N/2) of Section 18, T. 24 N., R. 9 W., and N/2 of Section 13, T. 24 N., R 10 W., San Juan County, New Mexico, as to natural gas and associated liquid hydrocarbons producible from the Mancos formation, as to horizontal wells only. This approval will become invalid *ab initio* by the Authorized Officer should then public interest requirements under Section 3105.2-3(e) not be met.
- C. Certify and determine that the drilling, producing, rental, minimum royalty and royalty requirements of the Federal lease or leases committed to said agreement are hereby established, altered, changed, or revoked to conform with the terms and conditions of the agreement.
