RE: C-142 Application for New Well Status  
Eagles Com No. 1, API No. 30-045-05835

Dear Gwen Alston:

Division Rule 34, New Well Tax Incentive, states:

**34.B. Definitions**

"New well" means a crude oil or natural gas producing well for which drilling commenced after January 1, 1999 and before July 1, 2000, or a horizontal crude oil or natural gas well that was recompleted from a vertical well by drilling operations that commenced after January 1, 1999 and before July 1, 2000, that has been approved and certified as such by the Division.

Pursuant to Division Rule 34.B, vertical recompletions/reentries do not qualify as new wells, therefore your application is hereby denied.

If you have any questions, please contact me at (505) 827-8183.

Sincerely,

Mark Ashley  
Petroleum Engineering Specialist
