1. The Division heard Case No. 21239 on August 14, 2020 and entered the Order on August 24, 2020.

5. Under the Order, Colgate would be required to commence drilling the well August 24, 2021.

6. Colgate requests that the Order be re-opened and amended to allow Colgate an additional year to commence drilling the well under the Order.

7. Colgate requests this extension because there have been changes in Colgate’s drilling schedule due to the COVID-19 pandemic and recent market conditions.

9. Colgate asks that the deadline to commence drilling the well be extended for a year from August 24, 2021 to August 24, 2022.

WHEREFORE, Colgate requests this application be set for hearing before an Examiner of the Oil Conservation Division on June 3, 2021, and after notice and hearing as required by law, the Division amend Order No. R-21440 to extend the time for Colgate to commence drilling the well under the Order for a year, through August 24, 2022.
