CASE NOS. 22127-22129 & 22131-22132

SECOND AFFIDAVIT OF LACI STRETCHER

Laci Stretcher, of lawful age and being first duly sworn, declares as follows:

1. My name is Laci Stretcher, and I am employed by EOG Resources, Inc. (“EOG”) as a Landman. I submitted an affidavit in these consolidated cases presented to the New Mexico Oil Conservation Division on September 23, 2021.

2. My initial affidavit presented in these consolidated cases incorrectly states the proposed overhead rates at \$850 per month while drilling and \$8,500 per month while producing. Those requests should be reversed. EOG requests that the overhead and administrative costs for drilling and producing the proposed wells be set at \$8,500 per month while drilling and \$850 per month while producing. These costs are consistent with what other operators are charging in this area for similar wells.

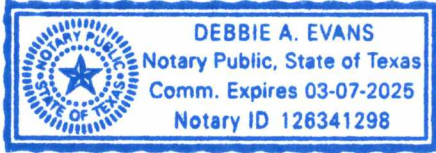

FURTHER AFFIANT SAYETH NOT.
