ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

**AMENDED APPLICATIONS OF MATADOR PRODUCTION COMPANY FOR
COMPULSORY POOLING, LEA COUNTY, NEW MEXICO.**

**CASE NOS. 21683, 21685,
22103 & 22104**

**APPLICATIONS OF E.G.L. RESOURCES, INC., FOR COMPULSORY POOLING,
LEA COUNTY, NEW MEXICO.**

CASE NOS. 22083 & 22084

**JOINT MOTION TO VACATE PRE-HEARING ORDER
AND SET A STATUS CONFERENCE**

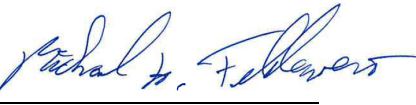

Matador Production Company, E.G.L. Resources, Inc. and Chisholm Energy Operating, LLC (collectively the "Movants") request that the Division vacate the pre-hearing order entered in these matters and set these matters for a status conference on the November 4, 2021, hearing docket. In support thereof, the Movants state:

1. On July 15, 2021, the Division entered a Prehearing Order setting these contested pooling cases for a hearing on October 21, 2021. Under an Amended Prehearing Order issued on September 2, 2021, the Division noted the dismissal of Matador Cases 21684 and 21686 and the substitution of Cases 22103 and 22104 for the scheduled hearing.
2. On August 30, 2021, E.G.L. Resources filed an unopposed motion to allow Chisholm Energy Operating, LLC to be substituted as the application in Cases 22083 and 22084.
3. The Movants have been engaged in productive discussions that they believe may resolve all or parts of these contested cases.
4. To avoid a potentially unnecessary hearing, and to allow the settlement discussions to continue uninterrupted, the Movants request that the prehearing order be vacated, and these matters set for a status conference on the November 4th hearing docket.
5. Counsel for the parties who have also appeared in these matters have been contacted and do not oppose this motion.

WHEREFORE, the Movants request the pre-hearing order and the October 21st hearing date for these matters be vacated, and that these matters be scheduled for a status conference on November 4, 2021.
