CASE NO. 22322
ORDER NO. R-21587 (Re-Open)

SELF-AFFIRMED STATEMENT
OF MICHAEL BURKE

1. I am a geologist for Ridge Runner Resources Operating, LLC (“Ridge Runner”). I am over 18 years of age, have personal knowledge of the matters addressed herein, and am competent to provide this Self-Affirmed Statement. I have previously testified before the Division, and my qualifications as an expert in petroleum geology matters were accepted. I am familiar with the above-referenced application and the matters involved. Copies of the application and proposed hearing notice are attached as **Exhibit A-1**.

2. The Division issued Order No. R-21587 (“Order”) in Case No. 21478 on January 21, 2021.

3. The Order pooled all uncommitted mineral interests in the Wolfcamp formation in a standard 480-acre horizontal spacing unit comprised of the SW/4 of Section 3 and the W/2 of Section 10, Township 20 South, Range 35 East in Lea County, New Mexico (“Unit”), dedicated the Unit to the Thunderbird 3-10 Fed Com W #1H and 2H wells (“Wells”), and designated Ridge Runner as the operator of the Wells and Unit. A copy of the Order is attached as **Exhibit A-2**.

4. Paragraphs 19 and 20 of the Order require Ridge Runner to commence drilling the Wells by January 21, 2022, one year from the date the Order was entered unless it obtains an extension from the Division Director for good cause shown.

5. Good cause exists for an extension to commence drilling the Wells due to delays in the issuance of drilling permits. Applicant intends to commence drilling the Wells in the first half of 2022.

6. In order to provide operational flexibility, Ridge Runner requests the Division amend the Order to extend the deadline to commence drilling the Wells to a year from when an amended order is issued.

7. Ridge Runner further requests the other provisions of the Order remain in force and effect.

8. Ridge Runner is in good standing under the statewide rules and regulations.

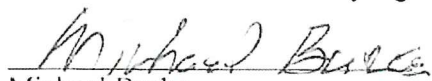

9. In my opinion, the granting of Ridge Runner's application would best serve the interests of conservation, the protection of correlative rights, and the prevention of waste.

10. Notice of this application and the Division hearing was provided to all interested parties entitled to notice at least 20 days prior to the hearing date. A sample notice letter and associated receipts are attached as **Exhibit A-3**.

11. Notice of this application and the Division hearing was published more than ten business days prior to the hearing date. The affidavit of publication is attached as **Exhibit A-4**.

12. The exhibits to my Self-Affirmed Statement were either prepared by me or under my supervision or were compiled from company business records.

13. I understand this Self-Affirmed Statement will be used as written testimony in this case. I affirm that my testimony in paragraphs 1 through 12 above is true and correct and is made under penalty of perjury under the laws of the State of New Mexico. My testimony is made as of the date identified next to my signature below.

RIDGE RUNNER RESOURCES
OPERATING, LLC
Case No. 22322

Exhibit A-2

- Page 8 of 17
10. Operator has the right to drill the Well(s) to a common source of supply at the depth(s) and location(s) in the Unit described in Exhibit A.
 11. The Unit contains separately owned uncommitted interests in oil and gas minerals.
 12. Some of the owners of the uncommitted interests have not agreed to commit their interests to the Unit.
 13. The pooling of uncommitted interests in the Unit will prevent waste and protect correlative rights, including the drilling of unnecessary wells.
 14. This Order affords to the owner of an uncommitted interest the opportunity to produce his just and equitable share of the oil or gas in the pool.

ORDER

15. The uncommitted interests in the Unit are pooled as set forth in Exhibit A.
16. The Unit shall be dedicated to the Well(s) set forth in Exhibit A.
17. Operator is designated as operator of the Unit and the Well(s).
18. If the location of a well will be unorthodox under the spacing rules in effect at the time of completion, Operator shall obtain the OCD's approval for a non-standard location in accordance with 19.15.16.15(C) NMAC.
19. The Operator shall commence drilling the Well(s) within one year after the date of this Order, and complete each Well no later than one (1) year after the commencement of drilling the Well.
20. This Order shall terminate automatically if Operator fails to comply with Paragraph 19 unless Operator obtains an extension by amending this Order for good cause shown.
21. The infill well requirements in 19.15.13.9 NMAC through 19.15.13.12 NMAC shall be applicable.
22. Operator shall submit each owner of an uncommitted working interest in the pool ("Pooled Working Interest") an itemized schedule of estimated costs to drill, complete, and equip the well ("Estimated Well Costs").
23. No later than thirty (30) days after Operator submits the Estimated Well Costs, the owner of a Pooled Working Interest shall elect whether to pay its share of the Estimated Well Costs or its share of the actual costs to drill, complete and equip the well ("Actual Well Costs") out of production from the well. An owner of a Pooled Working Interest who elects to pay its share of the Estimated Well Costs shall render payment to Operator no later than thirty (30) days after the expiration of the

election period, and shall be liable for operating costs, but not risk charges, for the well. An owner of a Pooled Working Interest who fails to pay its share of the Estimated Well Costs or who elects to pay its share of the Actual Well Costs out of production from the well shall be considered to be a "Non-Consenting Pooled Working Interest."

- 24. No later than one hundred eighty (180) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the Actual Well Costs. The Actual Well Costs shall be considered to be the Reasonable Well Costs unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Reasonable Well Costs after public notice and hearing.
- 25. No later than sixty (60) days after the expiration of the period to file a written objection to the Actual Well Costs or OCD's order determining the Reasonable Well Costs, whichever is later, each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs shall pay to Operator its share of the Reasonable Well Costs that exceed the Estimated Well Costs, or Operator shall pay to each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs its share of the Estimated Well Costs that exceed the Reasonable Well Costs.
- 26. The reasonable charges for supervision to drill and produce a well ("Supervision Charges") shall not exceed the rates specified in Exhibit A, provided however that the rates shall be adjusted annually pursuant to the COPAS form entitled "Accounting Procedure-Joint Operations."
- 27. No later than within ninety (90) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the reasonable charges for operating and maintaining the well ("Operating Charges"), provided however that Operating Charges shall not include the Reasonable Well Costs or Supervision Charges. The Operating Charges shall be considered final unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Operating Charges after public notice and hearing.
- 28. Operator may withhold the following costs and charges from the share of production due to each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs: (a) the proportionate share of the Supervision Charges; and (b) the proportionate share of the Operating Charges.
- 29. Operator may withhold the following costs and charges from the share of production due to each owner of a Non-Consenting Pooled Working Interest: (a) the proportionate share of the Reasonable Well Costs; (b) the proportionate share

of the Supervision and Operating Charges; and (c) the percentage of the Reasonable Well Costs specified as the charge for risk described in Exhibit A.

- 30. Operator shall distribute a proportionate share of the costs and charges withheld pursuant to paragraph 29 to each Pooled Working Interest that paid its share of the Estimated Well Costs.
- 31. Each year on the anniversary of this Order, and no later than ninety (90) days after each payout, Operator shall provide to each owner of a Non-Consenting Pooled Working Interest a schedule of the revenue attributable to a well and the Supervision and Operating Costs charged against that revenue.
- 32. Any cost or charge that is paid out of production shall be withheld only from the share due to an owner of a Pooled Working Interest. No cost or charge shall be withheld from the share due to an owner of a royalty interests. For the purpose of this Order, an unleased mineral interest shall consist of a seven-eighths (7/8) working interest and a one-eighth (1/8) royalty interest.
- 33. Except as provided above, Operator shall hold the revenue attributable to a well that is not disbursed for any reason for the account of the person(s) entitled to the revenue as provided in the Oil and Gas Proceeds Payment Act, NMSA 1978, Sections 70-10-1 *et seq.*, and relinquish such revenue as provided in the Uniform Unclaimed Property Act, NMSA 1978, Sections 7-8A-1 *et seq.*
- 34. The Unit shall terminate if (a) the owners of all Pooled Working Interests reach a voluntary agreement; or (b) the well(s) drilled on the Unit are plugged and abandoned in accordance with the applicable rules. Operator shall inform OCD no later than thirty (30) days after such occurrence.
- 35. OCD retains jurisdiction of this matter for the entry of such orders as may be deemed necessary.

During the COVID-19 Public Health Emergency, state buildings are closed to the public and hearings will be conducted remotely. The hearing will be conducted on December 2, 2021 beginning at 8:15 a.m. To participate in the electronic hearing, see the instructions posted on the docket for that date: <https://www.emnrd.nm.gov/ocd/hearing-info/>. ("Applicant") seeks an order amending Order No. R-21587 to extend the time to commence drilling operations to one year from the date of the amended order. The Division entered Order No. R-21587 ("Order") in Case No. 21478 on January 21, 2021. The Order pooled all uncommitted mineral interests in the Wolfcamp formation in a standard 480-acre horizontal spacing unit comprised of the SW/4 of Section 3 and the W/2 of Section 10, Township 20 South, Range 35 East in Lea County, New Mexico and dedicated the unit to the Thunderbird 3-10 Fed Com W #1H and 2H wells ("Wells"). The Order designated Applicant as the operator of the Unit. Paragraphs 19 and 20 of the Order require Applicant to commence drilling the Wells by January 21, 2022, one year from the date the Order was entered, unless Applicant obtains an extension from the Division Director for good cause shown. Good cause exists for Applicant's extension request due to delays in the issuance of drilling permits. Applicant intends to commence drilling the Wells in the first half of 2022. Applicant requests the Division amend Order No. R-21587 to extend the time to commence drilling the Wells to one year from the date an amended order is entered. The Wells are located approximately 13 miles west of Monument, New Mexico.
