Case No. 22033

**APPLICATION OF KAISER-FRANCIS OIL
COMPANY FOR COMPULSORY POOLING,
EDDY COUNTY, NEW MEXICO.**

Case No. 22282

UNOPPOSED MOTION TO VACATE STATUS CONFERENCE

This motion is submitted by Kaiser-Francis Oil Company (“KFOC”), for the following reasons:

1. In these cases KFOC seeks orders pooling all mineral interest owners in the Delaware formation underlying horizontal spacing units comprised of land in Sections 24 and 25, Township 23 South, Range 28 East, NMPM.
2. Matador Production Company (“Matador”) has a substantial acreage position in this area, and filed Case Nos. 22123 and 22124, which competed with KFOC’s Case No. 22033.
3. These matters are set for a status conference on December 2, 2021. However, the parties reached agreement on the development of this acreage, and Matador has dismissed Case Nos. 22123 and 21224. Therefore, a status conference is not necessary.
4. KFOC would like to proceed with presenting Case No. 22033 (unopposed, by affidavit) as soon as possible.
5. Case No. 22282 will be continued to a hearing date in 2022.
6. Counsel for Matador does not oppose this motion.

WHEREFORE, KFOC requests that the Pre-Hearing Order setting the status conference be vacated. KFOC also requests that it be allowed to present Case No. 22033 either on December 2nd or December 16th.

Respectfully submitted,

James Bruce
