

**STATE OF NEW MEXICO  
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT  
OIL CONSERVATION DIVISION**

**APPLICATION OF SPUR ENERGY  
PARTNERS, LLC TO AMEND  
ORDER NO. R-21581,  
EDDY COUNTY, NEW MEXICO.**

**CASE NO. \_\_\_\_\_**

**APPLICATION**

Spur Energy Partners, LLC (“Spur” or “Applicant”) (OGRID No. 328947) through its undersigned attorneys, hereby files this application with the Oil Conservation Division to amend Order No. R-21581 (the “Order”) to allow for a one year extension for drilling the proposed initial well under the Order. In support of its application, Spur states:

1. Order No. R-21581, entered on January 19, 2021, in Case No. 21585, created a standard 200-acre horizontal spacing unit in a portion of the Yeso formation, in the Atoka; Glorieta Yeso Pool (3250) from a depth of 3,201 feet to the base of the Pool, underlying the N/2 S/2 of Section 28, and the NE/4 SE/4 of Section 29, Township 18 South, Range 26 East, NMPM, Eddy County, New Mexico (the “Unit”), and designated Applicant as the operator of the Unit.

2. The Unit was designated to the proposed initial (1) the Radiohead #3H well, and (2) the Radiohead #4H well.

3. Order No. R-21581 required the drilling of the initial well by January 19, 2022.

4. There is good cause for Spur’s request that the Order be re-opened and amended to allow Spur additional time to commence drilling the well under the Order.

5. The decline in commodity prices in 2020 caused by the global COVID pandemic and other economic factors led Spur to reduce its rig count, thereby causing

Spur to delay its intended plans to develop the acreage subject to the Order. Spur anticipates being able to drill the initial well required by the Order within the next year.

6. Therefore, Spur requests a one-year extension of time to drill the initial well under the Order, until January 19, 2023.

WHEREFORE, Applicant requests that this application be set for hearing before an Examiner of the Oil Conservation Division on January 6, 2022, and, after notice and hearing as required by law, the Division enter an order granting this application.

Respectfully submitted,

HOLLAND & HART LLP
