### STATEMENT OF THE CASE

In these cases, Applicant seeks orders pooling all uncommitted mineral interests within the spacing units as described in the applications in the above-referenced cases. Tap Rock owns an interest in the proposed units and wells. However, there is a cloud on the title of Tap Rock's interest, which Tap Rock is in the process of resolving. Moreover, after title has been cleared, Tap Rock anticipates the possibility of filing competing applications. Tap Rock therefore objects to these cases going forward by affidavit on December 16, 2021 and requests that they be set for a status conference on that date.

### PROCEDURAL MATTERS

Tap Rock requests that these matters be heard as a status conference on December 16, 2021.

Respectfully submitted,

**MONTGOMERY & ANDREWS, P.A.**
