STATEMENT OF THE CASE

In Case No. 22379, Ridge Runner Resources Operating, LLC (“Applicant”) seeks an order amending Order No. R-21609 to extend the time to commence drilling operations to one year from

the date of the amended order. The Division entered Order No. R-21609 (“Order”) in Case No. 21635 on February 23, 2021. The Order pooled all uncommitted mineral interests in the Bone Spring formation in a 320-acre, more or less, standard horizontal spacing unit comprised of the W/2W/2 of Sections 2 and 11, Township 20 South, Range 35 East in Lea County, New Mexico (“Unit”) and dedicated the unit to the Zeus 2-11 Fed Com #1H (“Well”). The Order designated Applicant as the operator of the Unit and the Well. Paragraphs 19 and 20 of the Order require Applicant to commence drilling the Well by February 23, 2022, one year from the date the Order was entered, unless Applicant obtains an extension from the Division Director for good cause shown. Good cause exists for Applicant’s extension request due to delays in the issuance of a drilling permit. Applicant intends to commence drilling the Well in the first half of 2022. Applicant requests the Division amend Order No. R-21609 to extend the time to commence drilling the Well to one year from the date an amended order is entered. The Well is located approximately 16 miles southwest of Hobbs, New Mexico.
