SELF-AFFIRMED DECLARATION

Jeff Broussard hereby states and declares as follows:

1. I am over the age of 18, I am a land supervisor for Marathon Oil Permian LLC (“Marathon”) and I have personal knowledge of the matters stated herein. I have previously testified before the Oil Conservation Division (“Division”) and I have been qualified by the Division as an expert petroleum landman.

2. My area of responsibility at Marathon includes the area of Lea County in New Mexico.

3. I am familiar with the application filed by Marathon in this case, which is attached as **Exhibit 1**.

4. I submit the following information pursuant to NMAC 19.15.4.12.A(1) in support of the above referenced application.

5. I am familiar with the status of the lands that are subject to this application.

6. The purpose of the application is to amend Order No. R-21127-A, attached as **Exhibit 2**, to allow for a one-year extension of time to commence drilling the initial well under the Order.

7. Order No. R-21127, attached as **Exhibit 3**, pooled uncommitted interest owners in a 240-acre, more or less, Bone Spring horizontal spacing unit comprised of the E/2 E/2 of Section 11 and the E2 NE/4 of Section 14, Township 25 South, Range 34 East, NMPM, Lea County, New Mexico.

8. Order No. R-21127 designated Marathon as the operator of the wells and the unit.

9. This is Marathon's second request for an extension of time. On December 8, 2020, Marathon submitted an application to amend Order No. R-21127 to, among other things, allow for an extension of time for drilling the initial well under the Order.

10. On January 19, 2021, the Division entered Order No. R-21127-A which granted Marathon's request for an extension of time, through February 19, 2022. *See Exhibit 2, ¶ 9.*

11. Order No. R-21127-A ¶ 15 states: "This Order shall terminate automatically if Operator fails to comply with Paragraph [14]¹ unless Operator obtains an extension by an amendment of this Order for good cause shown."

12. Good cause exists for Marathon's request for a second extension of time.

13. As Marathon explained in its first extension request, there have been changes in Marathon's drilling schedule due to COVID-19 and current market conditions.

14. Marathon's operations and drilling activity continue to be impacted by COVID-19 and oil and gas market conditions, which continue to delay Marathon's drilling plans.

15. Marathon has diligently conducted its operations pursuant to the Division's other orders related to Marathon's Ender Wiggins well group. As evidence of this fact, Marathon has drilled and completed the **Ender Wiggins 14 WXY Fed Com 6H, Ender Wiggins 14 WD Fed**

¹ Order R-21127-A, ¶ 15 incorrectly references paragraph 13 as the paragraph stating the timeframe allowed to drill and complete a well under the order.

Com 2H, and Ender Wiggins 14 TB Fed Com 3H wells under Order Nos. R-20031, R-20032, and R-20033 respectively.

16. Marathon is in good standing under the statewide rules and regulations.

17. Under Order No. R-21127-A, Marathon would be required to commence drilling the initial well by February 19, 2022.

18. Marathon asks that the deadline to commence drilling the initial well be extended for one year from February 19, 2022 to February 19, 2023.

19. Marathon, through its counsel, notified all pooled working interest owners of Marathon's request to re-open Order No. R-21127-A for the purpose specified in the application. No opposition is expected because the pooled working interest owners have been contacted, and have not indicated any opposition.

20. Proof of notification is attached as **Exhibit 4** to this declaration. Exhibit 4 shows the parties who were notified of this hearing, the status of whether they received notice, and an affidavit of publication from the Hobbs News-Sun newspaper, showing that notice of this hearing was published on December 14, 2021.

21. COG Operating LLC/ConocoPhillips² should not be considered a pooled party under Order R-21127-A. COG Operating LLC/ConocoPhillips is not a party to this case because Marathon and COG Operating LLC previously entered into a joint operating agreement ("JOA") covering the acreage subject to Order R-21127. However, since the Division entered Order R-21127-A, the JOA between COG Operating LLC and Marathon expired. Marathon and COG Operating LLC/Conoco Phillips are presently negotiating a new JOA.

² COG Operating LLC was acquired by ConocoPhillips subsequent to entering the JOA with Marathon.

22. The attachments to this declaration were prepared by me, or compiled from company business records, or were prepared at my direction.

23. In my opinion, the granting of this application is in the interests of conservation and the prevention of waste.

I attest under penalty of perjury under the laws of the State of New Mexico that the information provided herein is correct and complete to the best of my knowledge and belief.

APPLICATION

Marathon Oil Permian LLC (“Marathon”), OGRID Number 372098, through its undersigned attorneys, hereby makes an application to the Oil Conservation Division (the “Division”) for the limited purpose of amending Order No. R-21127-A (the “Order”) to allow for a second extension of time for drilling the initial well under the Order. In support of this application, Marathon states as follows:

1. In October 2019, Marathon filed an application (Case No. 20871) seeking to pool uncommitted interests in the Bone Spring formation underlying the E/2 E/2 of Section 11 and the E/2 NE/4 of Section 14, Township 25 South, Range 34 East, NMPM, Lea County, New Mexico.
2. On February 19, 2020, the Division entered Order No. R-21127 in Case No. 20871. Order No. R-21127 is one of eight orders relating to Marathon’s “Ender Wiggins” well group.
3. Order No. R-21127 pooled uncommitted interest owners in a 240-acre, more or less, Bone Spring horizontal spacing unit comprised of the E/2 E/2 of Section 11 and the E/2 NE/4 of Section 14, Township 25 South, Range 34 East, NMPM, Lea County, New Mexico.
4. Order No. R-21127 designated Marathon as the operator of the wells and the unit.

5. In December 2020, Marathon requested that Order No. R-21127 be re-opened to conform the Order to the terms of the Amended Order Template and to allow Marathon additional time to commence drilling the initial well under the order (Case No. 21601).

6. On January 19, 2021, the Division entered Order No. R-21127-A in Case No. 21601 which extended the period to drill the initial well to February 19, 2022. *See* Order No. R-21127-A, ¶ 9. The Order also affirmed the Findings of Fact and Conclusions of Law in Order No. R-21127. *See* Order No. R-21127-A, ¶ 8.

7. Marathon requests that Order No. R-21127-A be re-opened and amended to allow Marathon additional time to commence drilling the initial well under the Order.

8. Order No. R-21127-A, ¶ 14 states: “The Operator shall commence drilling the Well(s) within one year after the date of this Order and complete each Well no later than one (1) year after the commencement of drilling the Well.”

9. Further, Order No. R-21127-A, ¶ 15 states: “This Order shall terminate automatically if Operator fails to comply with Paragraph [14]¹ unless Operator obtains an extension by an amendment of this Order for good cause shown.”

10. Good cause exists for Marathon’s request for a second extension of time.

11. As Marathon explained in its first extension request, there have been changes in Marathon’s drilling schedule due to COVID-19 and the then-existing market conditions.

12. Marathon’s operations and drilling activity continue to be impacted by COVID-19 and oil and gas market conditions, which continue to delay Marathon’s drilling plans.

13. Marathon has diligently conducted its operations pursuant to the Division’s other orders related to Marathon’s Ender Wiggins well group. As evidence of this fact, Marathon has

drilled and completed the **Ender Wiggins 14 WXY Fed Com 6H, Ender Wiggins 14 WD Fed Com 2H, and Ender Wiggins 14 TB Fed Com 3H** wells under Order Nos. R-20031, R-20032, and R-20033 respectively.

14. Under Order No. R-21127-A, Marathon would be required to commence drilling the initial well by February 19, 2022.

15. Marathon asks that the deadline to commence drilling the initial well be extended for a year from February 19, 2022 to February 19, 2023.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on January 6, 2022, and after notice and hearing as required by law, the Division:

A. Amend Order No. R-21127-A to extend the time for Marathon to commence drilling the initial well under the Order for one year, through February 19, 2023; and

B. Incorporate all of the provisions of Order Nos. R-21127 and R-21127-A.

APPLICATION

Marathon Oil Permian LLC (“Marathon”), OGRID Number 372098, through its undersigned attorneys, hereby makes an application to the Oil Conservation Division (the “Division”) for the limited purpose of amending Order No. R-21126-A (the “Order”) to allow for a second extension of time for drilling the initial well under the Order. In support of this application, Marathon states as follows:

1. In October 2019, Marathon filed an application (Case No. 20870) seeking to pool uncommitted interests in the Bone Spring formation underlying the W/2 E/2 of Section 11 and the W/2 NE/4 of Section 14, Township 25 South, Range 34 East, NMPM, Lea County, New Mexico.
2. On February 19, 2020, the Division entered Order No. R-21126 in Case No. 20870. Order No. R-21126 is one of eight orders relating to Marathon’s “Ender Wiggins” well group.
3. Order No. R-21126 pooled uncommitted interest owners in a 240-acre, more or less, Bone Spring horizontal spacing unit comprised of the W/2 E/2 of Section 11 and the W/2 NE/4 of Section 14, Township 25 South, Range 34 East, NMPM, Lea County, New Mexico.
4. Order No. R-21126 designated Marathon as the operator of the wells and the unit.

5. In December 2020, Marathon requested that Order No. R-21126 be re-opened to conform the Order to the terms of the Amended Order Template and to allow Marathon additional time to commence drilling the initial well under the order (Case No. 21603).

6. On January 19, 2021, the Division entered Order No. R-21126-A in Case No. 21603 which extended the period to drill the initial well to February 19, 2022. *See* Order No. R-21126-A, ¶ 9. The Order also affirmed the Findings of Fact and Conclusions of Law in Order No. R-21126. *See* Order No. R-21126-A, ¶ 8.

7. Marathon requests that Order No. R-21126-A be re-opened and amended to allow Marathon additional time to commence drilling the initial well under the Order.

8. Order No. R-21126-A, ¶ 14 states: “The Operator shall commence drilling the Well(s) within one year after the date of this Order and complete each Well no later than one (1) year after the commencement of drilling the Well.”

9. Further, Order No. R-21126-A, ¶ 15 states: “This Order shall terminate automatically if Operator fails to comply with Paragraph [14]¹ unless Operator obtains an extension by an amendment of this Order for good cause shown.”

10. Good cause exists for Marathon’s request for a second extension of time.

11. As Marathon explained in its first extension request, there have been changes in Marathon’s drilling schedule due to COVID-19 and the then-existing market conditions.

12. Marathon’s operations and drilling activity continue to be impacted by COVID-19 and oil and gas market conditions, which continue to delay Marathon’s drilling plans.

13. Marathon has diligently conducted its operations pursuant to the Division’s other orders related to Marathon’s Ender Wiggins well group. As evidence of this fact, Marathon has

¹ Order R-21126-A, ¶ 15 incorrectly references paragraph 13 as the paragraph stating the timeframe allowed to drill and complete a well under the order.

drilled and completed the **Ender Wiggins 14 WXY Fed Com 6H, Ender Wiggins 14 WD Fed Com 2H, and Ender Wiggins 14 TB Fed Com 3H** wells under Order Nos. R-20031, R-20032, and R-20033 respectively.

14. Under Order No. R-21126-A, Marathon would be required to commence drilling the initial well by February 19, 2022.

15. Marathon asks that the deadline to commence drilling the initial well be extended for a year from February 19, 2022 to February 19, 2023.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on January 6, 2022, and after notice and hearing as required by law, the Division:

A. Amend Order No. R-21126-A to extend the time for Marathon to commence drilling the initial well under the Order for one year, through February 19, 2023; and

B. Incorporate all of the provisions of Order Nos. R-21126 and R-21126-A.
