COMPULSORY POOLING, LEA COUNTY,
NEW MEXICO.

CASE NOS. 22251

NOTICE OF FILING REVISED EXHIBIT C-2

Centennial Resource Production, LLC, applicant in the above-referenced case, gives notice that it has filed the attached revised exhibit for acceptance into the record.

Revised Exhibit C-2 is a corrected copy of the land plat for the proposed spacing unit, reflecting that the surface location for each proposed well be in the north and that the wells will be drilled from the north to the south. In addition, this notice confirms that GMT New Mexico Royalty Company, LLC has been dismissed from this pooling proceeding and that Centennial Resource Production, LLC is not seeking to compulsory pool overriding royalty interest owners in this case.
