CASE NOS. 22447 & 22448

AMENDED CONSOLIDATED PRE-HEARING STATEMENT

Franklin Mountain Energy, LLC (“Franklin”) submits this *Amended* Pre-Hearing Statement for the above-referenced cases pursuant to the rules of the Oil Conservation Division. Franklin submits this Amended Pre-Hearing Statement because Franklin and Tap Rock, LLC (“Tap Rock”) have been in discussions since the last Pre-Hearing Statement was filed. It is Franklin’s understanding that Franklin and Tap Rock have reached an agreement and that, as a result, Tap Rock no longer objects to Franklin proceeding with these cases by affidavit. Thus, a contested hearing on March 3, 2022 is no longer necessary. As a result, Franklin intends to present these cases by affidavit at the March 3, 2022 hearing and Franklin intends to follow the process for presenting cases by affidavit, rather than the process outlined in the Division’s pre-hearing order in these cases. In other words, rather than submitting testimony and exhibits today, Franklin will submit the required materials for affidavit cases on Tuesday, March 2, 2022.
