

BEFORE THE NEW MEXICO OIL CONSERVATION DIVISION

**APPLICATION OF MATADOR PRODUCTION
COMPANY TO AMEND ORDER NO. R-21783
FOR COMPULSORY POOLING, LEA COUNTY,
NEW MEXICO.**

Case No. _____

APPLICATION

Matador Production Company applies for an order amending Order No. R-21783, and in support thereof, states:

1. Order No. R-21783 pooled the Bone Spring formation underlying a horizontal spacing unit comprised of the W/2W/2 of Section 3 and the W/2W/2 of Section 10, Township 22 South, Range 32 East, N.M.P.M.

2. Applicant proposes to drill the Nina Cortell Fed. Com. Well Nos. 125H and 131H to depths sufficient to test the Bone Spring formation, with first take points in the SW/4SW/4 of Section 10 and last take points in the NW/4NW/4 of Section 3.

3. Case No. 21063 was heard on July 15, 2021, and Order No. R-21783 was entered on July 16, 2021. Paragraph 19 of Order No. R-21783 requires the operator to commence the well within one year of the date of issuance. Paragraph 20 of Order No. R-21783 provides that the order will terminate if the well is not timely commenced, unless the operator "obtains an extension by amending this Order for good cause shown."

4. Applicant requests another one year extension due to market conditions which have altered drilling schedules, the coronavirus situation, and the Prairie Chicken booming season which limits drilling activities on federal land at this time of year. Applicant still intends to drill the subject wells. Thus good cause exists for Applicant's request for an extension.

5. Applicant requests an extension of the well commencement deadline to July 16, 2023.

WHEREFORE, Applicant requests that, after notice and hearing, the Division enter its order amending Order No. R-21783 to extend the well commencement deadline to July 16, 2023.

Respectfully submitted,

James Bruce
