Good morning Kevin,

Effective 11/15/2021, Chevron conveyed all RTI in USA NMNM-111533 to Covey Energy Partners via the attached ABOS. Covey then conveyed this interest into Fortuna III Permian, LLC, which is also attached herewith. This lease is part of the Prince 31 Unit.

When Chevron conveyed its interest in this federal lease, they only transferred operating rights. This transfer is still being processed by the BLM, however Chevron is still record title holder under this lease. Mewbourne is trying to execute communitization agreements for the upcoming Prince 31 wells, but need Chevron's signature on the instruments due to them still holding record title. Can you please have this executed on Chevron's behalf?

I have attached the four agreements, as well as the above-referenced assignments. Can you please have three (3) copies of each executed and sent to Mewbourne Oil Company, ATTN: Barrett Buck, who is CC'ed on this email?

Please let me know if you have any questions or concerns.

Thank you,

Austin McRee
