APPLICANT’S STATEMENT OF THE CASE

In **Case No. 23125**, Matador seeks an order to amend Order No. R-21937 (“Order”) to allow for an extension of time for drilling the proposed initial well under the Order. Division Order No. R-21937, entered on December 7, 2021, in Case No. 22269, created a standard 240-acre, more or less, horizontal spacing unit comprised of the W/2 SW/4 of Section 30 and the W/2 W/2 of Section 31, Township 24 South, Range 36 East, NMPM, Lea County, New Mexico (the “Unit”), and designated Matador as operator of the Unit. Order No. R-21937 further pooled the uncommitted interests in the Bone Spring formation (WC-025 G-08 S2535340; Bone Spring [97088]) in the Unit and dedicated the Unit to the proposed initial **Weinberger Fed Com #135H well** (API No. 30-025-PENDING).

In **Case No. 23126**, Matador seeks an order to amend Order No. R-21938 (“Order”) to allow for an extension of time for drilling the proposed initial well under the Order. Division Order No. R-21938, entered on December 7, 2021, in Case No. 22270, created a standard 240-acre, more or less, horizontal spacing unit comprised of the E/2 SW/4 of Section 30 and the E/2 W/2 of Section

31, Township 24 South, Range 36 East, NMPM, Lea County, New Mexico (the “Unit”), and designated Matador as operator of the Unit. Order No. R-21938 further pooled the uncommitted interests in the Bone Spring formation (WC-025 G-08 S2535340; Bone Spring [97088]) in the Unit and dedicated the Unit to the proposed initial **Weinberger Fed Com #136H well** (API No. 30-025-PENDING).

In **Case No. 23127**, Matador seeks an order to amend Order No. R-21939 (“Order”) to allow for an extension of time for drilling the proposed initial well under the Order. Division Order No. R-21939, entered on December 7, 2021, in Case No. 22271, created a standard 240-acre, more or less, horizontal spacing unit comprised of the W/2 SW/4 of Section 30 and the W/2 W/2 of Section 31, Township 24 South, Range 36 East, NMPM, Lea County, New Mexico (the “Unit”), and designated Matador as operator of the Unit. Order No. R-21939 further pooled the uncommitted interests in the Wolfcamp formation (Jal; Wolfcamp, West [33813]) in the Unit and dedicated the Unit to the proposed initial **Weinberger Fed Com #211H well** (API No. 30-025-PENDING).

In **Case No. 23128**, Matador seeks an order to amend Order No. R-21940 (“Order”) to allow for an extension of time for drilling the proposed initial well under the Order. Division Order No. R-21940, entered on December 7, 2021, in Case No. 22272, created a standard 240-acre, more or less, horizontal spacing unit comprised of the E/2 SW/4 of Section 30 and the E/2 W/2 of Section 31, Township 24 South, Range 36 East, NMPM, Lea County, New Mexico (the “Unit”), and designated Matador as operator of the Unit. Order No. R-21940 further pooled the uncommitted interests in the Wolfcamp formation (Jal; Wolfcamp, West [33813]) in the Unit and dedicated the Unit to the proposed initial **Weinberger Fed Com #212H well** (API No. 30-025-PENDING).

There is good cause for Applicant’s request for an extension of time to drill. Matador filed permits with the Bureau of Land Management in September 2021 and has not yet received approval, thereby causing Matador to delay its intended plans to develop the acreage subject to the Order

APPLICANT’S PROPOSED EVIDENCE

WITNESS Name and Expertise	ESTIMATED TIME	EXHIBITS
David Johns, Landman	Affidavit	Approx. 1

PROCEDURAL MATTERS

Matador requests that these matters be consolidated for hearing and intends to present these cases by affidavit if there is no opposition at the time of hearing.

Respectfully submitted,

HOLLAND & HART LLP
