

**STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

**APPLICATIONS OF TAP ROCK OPERATING, LLC
FOR COMPULSORY POOLING,
LEA COUNTY, NEW MEXICO**

Case Nos. 23105 and 23106

**UNOPPOSED MOTION FOR CONTINUANCE
AND AMENDED PRE-HEARING ORDER**

COG Operating LLC (“COG”) requests that the Division: (1) continue these cases to the January 19, 2023 hearing docket; and (2) issue an amended Pre-Hearing Order. In support of this motion, COG states the following.

1. These cases are currently set for a contested hearing on January 5, 2023 under a Pre-Hearing Order issued on November 4, 2022.

2. At the November 3, 2022 status conference in these cases, counsel for COG advised that the January 5, 2023 hearing date would be confirmed with COG’s witnesses. COG’s counsel has conferred with the witnesses and there are conflicts with the January 5th hearing date.

3. As a result, COG requests that the Division continue these cases to the January 19, 2023 hearing docket and issue an amended pre-hearing order.

4. Counsel for Tap Rock does not oppose this motion.

WHEREFORE, COG respectfully requests that the Division continue the cases to the January 19, 2023 hearing docket and issue an Amended Pre-Hearing Order.

Respectfully submitted,

HINKLE SHANOR LLP
