

STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION

APPLICATIONS OF PRIDE ENERGY COMPANY
FOR COMPULSORY POOLING, LEA COUNTY,
NEW MEXICO.

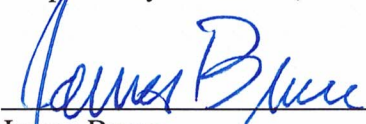

Case Nos. 22935 and 22936

RESPONSE TO MOTION FOR CONTINUANCE

Pride Energy Company ("Pride") submits this response to the motion for a continuance filed by ConocoPhillips Company ("COP"):

1. Pride originally objected to another continuance because it has been working for months to get COP to sign a JOA.
2. However, COP has now stated that it will soon be filing counter-applications to those of Pride.
3. The undersigned knows that the Division does not want to hear the same matters twice. As a result, an objection is useless and it is not asserted herein.
4. However, Pride would request that the cases be set as a status conference on November 17th so that a mutually acceptable hearing date may be reached.

Respectfully submitted,

 James Bruce
