COMPULSORY POOLING,

CASE NOS. 23256-23257

**MOTION TO CONSOLIDATE AND TO VACATE PREHEARING ORDER IN
FAVOR OF A STATUS CONFERENCE**

COG Operating LLC moves to consolidate these competing pooling cases and to vacate the Prehearing Order issued in Case No. 23173 in favor of a status conference. The existing prehearing order has set Mewbourne Case No. 23173 for a contested hearing on January 5, 2023. COG Operating has recently filed competing pooling applications under Case Nos. 22356-57 which will appear on the January 5th docket. The parties have been engaged in settlement efforts and a status conference on January 5th will allow the parties additional time to reach agreement.

Counsel for applicant Mewbourne Oil Company and Coterra Energy, who has appeared in Mewbourne Case 23173, have been contacted and do not oppose this motion.

Respectfully submitted,
