**UNOPPOSED MOTION TO AMEND THE  
PRE-HEARING ORDER**

Cimarex Energy Co. (“Cimarex”), through its undersigned attorneys, moves the New Mexico Oil Conservation Division (“Division”) to amend the Pre-Hearing Order (“PHO”) in these cases that was issued on January 5, 2023. In support of this motion, the following is shown:

1. The competing applications are set for hearing on the March 16<sup>th</sup> docket pursuant to the PHO.
2. Cimarex and Tap Rock believe that it is possible that they may be able to resolve their differences within the next several weeks which would negate the need for a contested hearing.
3. To that end, Cimarex filed an Uncontested Motion for Continuance to move these contested cases to the April 20<sup>th</sup> docket.

4. In order to facilitate the purpose of the continuance, the parties have agreed to the need to amend the PHO to modify the date of the hearing in Paragraph 1 of the PHO so that the pre-hearing statement and the additional information set forth in Paragraph 4 of the PHO will be due on April 13, seven days before the April 20<sup>th</sup> hearing, and not be due on March 9<sup>th</sup>.

5. Counsel for Tap Rock has agreed to this request and counsel for EOG Resources, Inc., which entered an appearance in Case Nos. 23232 and 23234, indicated that her client will not interpose an objection to this motion.

Respectfully Submitted,

**ABADIE & SCHILL, P.C.**
