Chris,

I just sent an email to my technical group to see if we can expedite these wells. I won't hear back until next week because we have tomorrow off. I will get back with you shortly.

Thank you!

Hi Hannah,

We did file for compulsory pooling and are on the 6/2 docket I believe. These wells were bumped up on our drill schedule and we wanted to ensure the right to complete these wells.

If you could help expedite the JOA, we can drop that hearing but will still work with you on a JOA if you don't foresee any issues/delays on your end.

Thanks,

Chris
