New Mexico Oil Conservation Division  
Via e-filing by Cimarex Energy Co. in Case 23295

Re: Support for Cimarex Energy Co.'s Showbiz case, Case No. 23295, located in Sections 12 and 13, Township 19 South, Range 34 East, Lea County, New Mexico.

Dear OCD:

Chevron U.S.A., Inc. ("Chevron") respectfully submits this letter in support of Cimarex Energy Co.'s ("Cimarex") Showbiz case, Case No. 23295, located in Sections 12 and 13, Township 19 South, Range 34 East, Lea County, New Mexico. Cimarex' proposed plan will prevent waste and protect correlative rights as it appears to more efficiently and effectively develop the acreage as opposed to Pride's competing proposal. Cimarex appears to be developing multiple reservoirs as opposed to Pride, which appears to only be developing one. In sum, Chevron supports Cimarex' Showbiz case and supports Cimarex' operatorship of the acreage in question.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ben J. Wilson", enclosed in a blue oval.
