**NOTICE OF SUPPLEMENTAL EXHIBIT C-12**

Read & Stevens, Inc. (“Read and Stevens”), gives notice that it is filing the attached supplemental exhibit for acceptance into the record.

**Supplemental Exhibit C-12** includes a signed letter of support from Stephen K. Marks, President of Marks Oil, Inc. (“Marks Oil”) and James O. Wilbanks, President of Wilbanks Reserve Corporation (“Wilbanks”), in which both have voluntarily committed their interests to Read & Stevens as a result of having observed the contested hearing. Based on their support, Read & Stevens now has the majority working interest ownership and support in the Wolfcamp across all of their proposed Bane and Joker units (44.4197%, compared to Cimarex’s 41.7955%); and has increased their working interest ownership and support in the Bone Spring across all of their proposed Bane and Joker units (36.7533%, compared to Cimarex’s 50.2277%).

This information was provided to the Division by a representative of Marks Oil and Wilbanks and is being filed on the record for the benefit and knowledge of all parties involved in these contested cases.

Respectfully submitted,

HOLLAND & HART LLP

To Whom It May Concern,

The purpose of this letter is to allow Marks Oil, Inc. ("Marks") as an impacted working interest owner within the below referenced development, the opportunity to make reference to its opinion on preferred development strategy.

WHEREAS, Marks observed the contested hearing between Permian Resources Operating as operator for Read & Stevens, Inc. ("Permian") and Cimarex Energy Company ("Cimarex") that took place from August 9th, 2023 to August 11th, 2023.

WHEREAS, on February 17, 2023, Permian proposed a potash development area encompassing sections 5 & 8 of T20S-R34E (the "Joker" project). Permian subsequently sent formal Joker well proposals out in March subsequent to Cimarex's filing for compulsory pooling on the Permian project area.

To provide a very brief summary of Permian's development

- **Joker:** Twenty-Four (24) wells proposed, including four (4) falling in the 3<sup>rd</sup> Bone Spring formation and four (4) in the Wolfcamp A formation.

WHEREAS, Marks owns working interests in both the Bone Spring and Wolfcamp formations that are not equal and would be impacted if a well permitted in one formation was draining hydrocarbons from the other formation.

WHEREAS, Marks has the option of asserting its opinion of Permian's development of the Joker unit, including Permian's plan to co-develop the 3<sup>rd</sup> Bone spring and Wolfcamp A formations together.

Respectfully,

Travis Macha
