CASE NO. 23655

UNOPPOSED MOTION TO SET A JANUARY 2024 HEARING

The Joint Industry Technical Committee (“JITC”), through undersigned counsel, hereby moves the New Mexico Oil Conservation Commission (“Commission”) to set this matter for hearing on the January 11, 2024, Commission docket. At the August 2023 scheduling conference, the Commission tentatively set this matter for hearing on the November 9, 2023, docket. However, no order has been issued by the Commission.

Setting this matter for hearing on the January 11, 2024, Commission docket will afford the parties time to address potential modifications to the proposed revisions to Commission Order R-111-P filed by the JITC. All counsel appearing in this matter have been contacted and do not oppose this motion.

WHEREFORE, the JITC respectfully requests the Commission enter an order setting this matter for hearing on the January 11, 2024, Commission docket.
