MRC Permian Company (“MRC”) and Franklin Mountain Energy 3, LLC (“Franklin”) move to amend the Pre-Hearing Order currently in place for these cases which sets these matters for a contested hearing on December 7, 2023, and request that the above captioned applications, and any amended applications, be set for a contested hearing on January 4, 2023 or the first available docket thereafter. In support of this motion, the parties state:

1. Under the Amended Prehearing Order issued by the Division, these matters are set to be heard at the Division’s December 7, 2023, docket.
2. In preparing for the hearing in these matters, counsel has discovered certain deficiencies in some, but not all, of the applications and legal notices.

4. The parties would notify the Division of the amended case numbers so that the pre-hearing order could be amended to include the amended case numbers and remove any dismissed cases numbers.

WHEREFORE, the parties respectfully requests that the Division amend the prehearing order setting these matters for a contested hearing on December 7, 2023, and requests that the above captioned applications, and any amended applications, be set for a contested hearing on January 4, 2023 or the first available docket thereafter.

Respectfully submitted,
