APPLICANT'S STATEMENT OF THE CASE

In **Case No. 24087**, Matador seeks an order to amend Order No. R-22045-A (“Pooling Order”) to allow for an extension of time for drilling the proposed initial well under the Pooling Order. On February 23, 2022, the Division issued Order R-22045 in Case 22255 creating a standard 320-acre, more or less, horizontal well spacing unit in the Bone Spring formation underlying the N/2 N/2 of Section 13, Township 24 South, Range 28 East, and the N/2 N/2 of Section 18, Township 24 South, Range 29 East, NMPM, Eddy County, New Mexico (the “Unit”). Matador is the designated operator of the Unit, and the Unit is initially dedicated to the proposed **Glen Spiller Fed Com 111H** well. On March 30, 2023, the Division issued Order No. R-22045-A extending the time to commence drilling the initial well due to inaction by the Bureau of Land Management on the filed drilling permit. At the Division hearing, Matador demonstrated the drilling permit previously filed with the Bureau of Land Management (“BLM”) had not yet been approved.

In **Case No. 24086**, Matador seeks an order to amend Order No. R-22046-A (“Pooling Order”) to allow for an extension of time for drilling the proposed initial well under the Pooling Order. On February 23, 2022, the Division issued Order R-22046 in Case 22256 creating a standard 320-acre, more or less, horizontal well spacing unit in the Bone Spring formation underlying the S/2 N/2 of Section 13, Township 24 South, Range 28 East, and the S/2 N/2 of Section 18, Township 24 South, Range 29 East, NMPM, Eddy County, New Mexico (the “Unit”). Matador is the designated operator of the Unit, and the Unit is initially dedicated to the proposed **Harrold Melton Fed Com 112H** well. On March 30, 2023, the Division issued Order No. R-22046-A extending the time to commence drilling the initial well due to inaction by the Bureau of Land Management

on the filed drilling permit. At the Division hearing, Matador demonstrated the drilling permit previously filed with the BLM had not yet been approved.

There is good cause for Applicant’s request for an extension of time to drill. As of the filing of these applications, the drilling permits filed with the BLM have still not been approved.
