Case Nos. 24189 & 24190

UNOPPOSED MOTION FOR A CONTINUANCE

Mewbourne Oil Company ("Mewbourne") moves the Division to continue the hearing on the above matters to the Examiner hearing scheduled for May 16, 2024. As grounds therefore, Mewbourne states:

1. This matter was heard on March 7, 2024. At the hearing the Examiners raised several issues, resulting in the cases being continued to March 21, 2024.
2. The cases were continued again, to the April 18, 2024 docket, to cure notice issues.
3. Some notice issues remain to be resolved, so a (final) continuance to May 16, 2024 is requested.
4. Mewbourne will file the revised exhibit packages five business days before the May hearing so that the Examiners will have sufficient time to review them.
5. Counsel for EOG Resources, Inc. does not object to this motion.

WHEREFORE, Mewbourne requests a continuance of these cases to May 16, 2024.

Respectfully submitted,
