OIL CONSERVATION DIVISION

APPLICATIONS OF E.G.L. RESOURCES, INC.  
FOR COMPULSORY POOLING, LEA COUNTY,  
NEW MEXICO.

Case Nos. 24154 & 24155

MOTION TO DISMISS

E.G.L. Resources, Inc. ("E.G.L.") moves the Division for entry of an order dismissing these cases without prejudice.

The reason for this motion is as follows: These cases are set for a contested hearing on the special Examiner hearing scheduled for May 28, 2024, together with Avant Operating LLC's ("Avant") Case Nos. 24118 and 24119. However, E.G.L. and Avant should close on a commercial deal that includes this acreage (and Avant will become operator of the subject acreage). If the deal falls through, E.G.L. will apply for a *de novo* hearing on Avant's cases and re-file its applications.

E.G.L. maintains its entry of appearance in these cases to preserve its rights.

Respectfully submitted,

James Bruce
