1	PROCEEDINGS
2	THE HEARING OFFICER: Okay. It is 1:01
3	p.m. on June 25, 2024. This is a special hearing
4	commenced to hear Texas Standard Operating LLC case
5	numbers 23823, 23824. And entrance of appearance,
6	please.
7	MR. BRUCE: Mr. Examiner, Jim Bruce
8	representing Texas Standard.
9	MS. HARDY: And Mr. Examiner, Dana
10	Hardy with Hinkle Shanor on behalf of Armstrong Energy
11	Corporation and Slash Exploration.
12	THE HEARING OFFICER: Okay. Good
13	afternoon to both of you. Are there any other parties
14	that are joining us online? Not hearing any, Ms.
15	Hardy, it's my understanding that your client has
16	withdrawn its objection to Mr. Bruce proceeding by
17	affidavit.
18	MS. HARDY: That's correct.
19	THE HEARING OFFICER: Okay. Very good.
20	And have you had a chance to review Mr. Bruce's
21	exhibits?
22	MS. HARDY: Yes, I have.
23	THE HEARING OFFICER: You have. Okay.
24	Are there any objections to the exhibits?
25	MS. HARDY: No, I don't have any

1	objections.
2	THE HEARING OFFICER: Okay. Very good.
3	Mr. Bruce, are your witnesses available for cross-
4	examination?
5	MR. BRUCE: They should be, yes.
6	THE HEARING OFFICER: Very good. Have
7	you submitted we only have two case numbers here it
8	looks like, have you submitted the revised exhibit
9	packet for both cases?
10	MR. BRUCE: Yes. I got them in late
11	last night and I think they were finally admitted by
12	the Division two hours ago, hour and a half ago.
13	THE HEARING OFFICER: Okay. I can tell
14	by the color documents in the imaging system that
15	you've had multiple submissions here and I'd like to
16	clean up the record.
17	MR. BRUCE: Sure.
18	THE HEARING EXAMINER: So Freya, I'm
19	going to ask you to remove certain documents from this
20	record once Mr. Bruce and I, and Ms. Hardy, stipulates
21	to the authenticity.
22	So Mr. Bruce, I have two kind of
23	orangey documents that were submitted today, on the
24	25th, are those your exhibits for today's hearing?
25	MR. BRUCE: Those are the final

1	exhibits for today.
2	THE HEARING OFFICER: Those are the
3	final exhibits for today. So the green exhibits from
4	the 18th of June, we can delete those?
5	MR. BRUCE: Yes, sir.
6	THE HEARING OFFICER: Okay. Freya, you
7	heard that?
8	MS. TSCHANTZ: I did.
9	THE HEARING OFFICER: Okay. And then
10	we have some yellow exhibits from May 9, we can delete
11	those as well. Freya will you clean up those as well?
12	MS. TSCHANTZ: Yes, I will.
13	THE HEARING OFFICER: Okay. That's
14	four documents that we're removing from the record.
15	Okay. Mr. Bruce, let's look at your exhibits for a
16	moment. Do you want to give us a brief overview?
17	MR. BRUCE: Yes, Mr. Examiner. These
18	are two cases, two adjoining well units; I'll just
19	briefly run through the first one and make it simple.
20	Keep it simple stupid, as they have always told me, so
21	In the first case Texas Standard seeks to force
22	pool the Upper Penn formation in the west half,
23	southeast quarter of 11, west half east half of 14,
24	and west half east half of 23.
25	In 17 south 36 east, Exhibit 1 is the

1	pooling checklist. Exhibit 2 is the self-affirmed
2	statement of Matt Roberson who's the landman for Texas
3	Standard who has previously testified. His affidavit
4	contains all the usual information. Contains the land
5	plats, the C-102s, the documents which, probably the
6	most important page is 13, 14, and 15, which show the
7	tracks involved and the interest owners involved.
8	His affidavit goes into the overhead
9	rates, 8,800 per month and the risk charge of 200
10	percent. And I would not that in each affidavit,
11	which is page 8 of each submission, paragraph 14 says
12	Texas Standard does not contest the validity of the
13	correction assignment that Ms. Hardy filed the other
14	day in this matter. So
15	(Exhibits 1 and 2 were marked for
16	identification.)
17	THE HEARING OFFICER: Mr. Bruce.
18	MR. BRUCE: the parties are pretty
19	good to go.
20	THE HEARING OFFICER: Mr. Bruce, you
21	said Ms. Hardy filed, so let me go to her for a
22	moment. What did you file?
23	MS. HARDY: I filed, as a rebuttal
24	exhibit, when we were planning to have a contested
25	hearing a corrected assignment that adjusted downward
	Page 8

1	Slash and Armstrong's overriding royalty interest in
2	the space units.
3	THE HEARING OFFICER: But you filed
4	those in which cases?
5	MS. HARDY: In these two cases.
6	MR. BRUCE: These cases.
7	THE HEARING OFFICER: Do you have a
8	date of the filing?
9	MR. BRUCE: I think it was last
10	Thursday, Mr. Examiner.
11	THE HEARING OFFICER: Then that must be
12	the twenty that would be the 21st then? Yes, I
13	have it here. Okay. So I have a notice of rebuttal
14	exhibit. Okay. Let me take a look at it. Can you
15	direct me to the page that I should be looking at, Ms.
16	Hardy?
17	MS. HARDY: Yes. Let me just get
18	there. Sorry. Pulling it up.
19	THE HEARING OFFICER: Take your time.
20	MS. HARDY: Okay. So if you look at
21	well, it's the first page of the actual assignment.
22	THE HEARING OFFICER: Three? Page 3
23	then?
24	MS. HARDY: Page 3 of the PDF
25	THE HEARING OFFICER: Uh-huh.
	D200 0

1	MS. HARDY: shows the overriding
2	royalty interest for those three entities, Chimney,
3	Armstrong, and Slash.
4	THE HEARING OFFICER: Uh-huh.
5	MS. HARDY: At 1 percent for Chimney
6	and Armstrong, and 6.25 percent for Slash. So that's
7	an adjustment downward from the original assignment of
8	overriding royalty interest that Mr. Bruce had filed
9	in his exhibits.
10	THE HEARING OFFICER: So I want to try
11	to understand this. So Mr. Bruce, when you originally
12	filed the documents you assigned higher percentage to
13	these interests?
14	MR. BRUCE: The situation is this.
15	Slash although Armstrong entered an appearance they
16	would be an overriding royalty; the working interest
17	owner was Slash with this particular 160 acres of
18	land, and they filed the original assignment. There's
19	obvious it's a state lease, there's an overriding
20	royalty or a royalty interest, three was a 3
21	percent overriding royalty interest granted shortly
22	after the lease was issued to Slash.
23	And then there was the late filed in
24	late April of an assignment of overriding royalty that
25	assigned a large override to Armstrong and these other

1	two parties that Ms. Hardy and they reduced that
2	downward so that in the end they would still have an
3	overriding royalty, a substantial overriding royalty.
4	But Texas Standards' net interest would increase.
5	THE HEARING OFFICER: I see. And that
6	was part of the negotiation?
7	MR. BRUCE: Correct. So it took a long
8	time to get there, but Texas Standard and Slash just
9	want to move along.
10	THE HEARING OFFICER: So for someone
11	who doesn't understand the particulars of these types
12	of negotiations and deals, in very layman's terms your
13	company, Texas Standard, will gain a little bit more
14	from this negotiated deal, so that they don't oppose
15	it.
16	MR. BRUCE: So that yeah. So that
17	Texas Standard does not oppose it; yeah.
18	THE HEARING OFFICER: I thought you
19	were Texas Standard.
20	MR. BRUCE: Yeah, I'm Texas Standard.
21	But let's just take the particulars.
22	THE HEARING OFFICER: Yes, thank you.
23	MR. BRUCE: Let's look at it this way.
24	I'll take a federal lease because it has a common
25	royalty interest; a federal lease is issued with a

1	12.5 percent royalty interest, so the working interest
2	owner gets an 87.5 percent net.
3	THE HEARING OFFICER: Okay.
4	MR. BRUCE: And of course, a lot of
5	those leases are assigned, and I've seen the S&R
6	reserve anywhere from a 2 percent override to a 12 and
7	a half percent override.
8	THE HEARING OFFICER: Okay.
9	MR. BRUCE: Now, a 12 and a half
10	percent override would take the net to the assignee
11	down to 75 percent.
12	THE HEARING OFFICER: Okay.
13	MR. BRUCE: And in this particular, the
14	interests are a little different, but after the second
15	override assignment, Slash's net interest, which was
16	being force pooled would be 67 percent.
17	THE HEARING OFFICER: Okay.
18	MR. BRUCE: After the correction
19	assignment overriding royalty, their net interest went
20	to 70 percent.
21	THE HEARING OFFICER: Oh, it went up.
22	MR. BRUCE: But it's good for Texas
23	Standard because we're pooling at a higher net. On
24	the other hand, they still have a decent-size
25	override.

1	THE HEARING OFFICER: I see. I see.
2	And these cases this was not the situation where we
3	had competing pooling applications?
4	MR. BRUCE: Correct. Correct. Yeah,
5	this is yeah.
6	THE HEARING OFFICER: So had there been
7	no agreement in this case, and we moved forward with a
8	contested case, was there, Ms. Hardy, some idea that
9	your company would have in some way gained more from a
10	contested hearing?
11	MS. HARDY: So what happened, Mr.
12	Examiner, is that we had initially withdrawn our
13	opposition to these applications a couple of months
14	ago, and Slash had assigned this royalty interest to
15	protect its economic interest in these units, because
16	it has a significant interest, right, 25 percent, I
17	think, of the units.
18	And then in its pre-hearing statement
19	Texas Standard was asking the Division to invalidate
20	or disregard the overriding royalty interest. So that
21	is what we were opposing.
22	THE HEARING OFFICER: I see.
23	MS. HARDY: As well as we had concerns
24	about the negotiation. But that was why we were going
25	to have a contested hearing.

1	THE HEARING OFFICER: And Mr. Bruce,
2	does the Division have the authority to, not
3	disregard, but was the word disregard the
4	overriding?
5	MR. BRUCE: That's as good a word as
6	MS. HARDY: I think that's fair. Yeah.
7	THE HEARING OFFICER: Fair?
8	MR. BRUCE: Yeah, there's a couple of
9	cases I could cite and there's one that I had that I
10	can't find the order anymore, but it's the same
11	effect. You know how they can disregard a certain
12	instrument if it would for instance, the one I can
13	think of was I filed a pooling application for Devon
14	Energy; this was many, many years ago, and they were
15	force pooling this mineral interest owner in south
16	Texas.
17	And you know, as you well know, under
18	the unleased mineral owner gets a one-eighth royalty
19	under the pooling statute. And this client wanted
20	more; they wanted a 25 percent royalty, and actually
21	Devon was not opposed to that even thought at the time
22	that was a very high royalty interest. But they had a
23	35 page lease form which also stated in there that if
24	Devon Energy, whether through happenstance, or its own
25	fault, or the fault of the lessor, mis-paid the

1	royalty interest even by a few bucks the lease would
2	terminate.
3	And Devon said it would have to hire
4	someone, full-time employee, just to monitor the
5	lease. And so the OCD disregarded oh, let me give
6	you you'll like this as an attorney. The lease was
7	issued by this mineral interest on or to a company
8	formed by their Texas attorneys. So there was some
9	shenanigans going on there.
10	THE HEARING OFFICER: Right. Okay. So
11	based on the police power of the State, the OCD can
12	disregard
13	MR. BRUCE: To prevent waste.
14	THE HEARING OFFICER: Right. But
15	that's under the police power of the State; right?
16	Preventing waste and correlative rights?
17	MR. BRUCE: Correct.
18	THE HEARING OFFICER: Same thing.
19	Okay. Okay. All right.
20	MS. HARDY: And Mr. Examiner.
21	THE HEARING OFFICER: Yes?
22	MS. HARDY: I would add that it's very
23	rarely done.
24	THE HEARING OFFICER: Oh.
25	MS. HARDY: It's only been done when an
	Page 15

1	overriding royalty interest is so high that it
2	basically deems a unit uneconomic. That's not
3	compromise.
4	MR. BRUCE: There's two cases out there
5	is all I will say.
6	MS. HARDY: Yes.
7	THE HEARING OFFICER: Okay.
8	MR. BRUCE: So Ms. Hardy is right.
9	THE HEARING OFFICER: Good. I'm glad
10	you worked it out. So I see the document that was
11	filed that corrects that interest.
12	MR. BRUCE: Yes.
13	THE HEARING OFFICER: I see that now.
14	So let's get your exhibits oh. And then you have a
15	geologist update; I don't think you
16	MR. BRUCE: Yeah. Let me just say, and
17	of course, in this first one there are two wells, the
18	Lap Dog state, 1H and 2H wells going to be drilled;
19	they sink two wells per well unit is the proper
20	standard. And then they've got the communications
21	log, the well proposals, the AFEs which are stated to
22	be fair and reasonable. And then the self-affirmed
23	statement of Dave Entzminger who's David
24	Entzminger, who is the geologist, and he has had his
25	credentials accepted as a matter of record.

1	THE HEARING OFFICER: Okay.
2	MR. BRUCE: And he's got the usual type
3	log, cross-section, structure map, and all the
4	documents show that in this area they should be
5	drilling stand-up units. And then part two of the
6	exhibits is simply the Affidavit of Mailing, there
7	were two notice letters sent because a couple of
8	people were missed in the initial one, and I think the
9	most important of this package is the spreadsheet
L O	which is Exhibit 4C.
L1	It lists all the interest owners who
L2	were notified and the status of their interest; and
L3	highlighted in yellow there's one company who recently
L 4	joined in the well, CBR Oil Properties, and they are
L 5	not being force pooled. But other than that and
L6	then they've got the Affidavit of Publication, which
L7	was published some time ago, so it's timely, and then
L8	the Application and Proposed Ad. And so I would move
L9	the admission of Exhibits 1 through 6, plus other
20	subparts.
21	(Exhibits 3 through 6 were marked for
22	identification.)
23	THE HEARING OFFICER: And on page 2,
24	your Notice of Filing Revised Exhibit Packages, where
25	it says attorney for Mewbourne Oil Company, is that
	Page 17

1	just an error?
2	MR. BRUCE: Ah. That's the trouble
3	with pulling up used documents.
4	THE HEARING OFFICER: Yes, of course.
5	Okay, so that should why don't you clear
6	MR. BRUCE: That should be Texas
7	Standard.
8	THE HEARING OFFICER: Thank you. Okay.
9	So very good. So I'll ask again, are there any
LO	objections to these exhibits?
L1	MS. HARDY: No objection.
L2	THE HEARING OFFICER: Thank you. You
L3	exhibits are all entered into evidence, Mr. Bruce.
L4	And I'm first going to turn to Ms. Hardy. Ms. Hardy,
L5	do you have any questions for Mr. Bruce's witnesses?
L6	MS. HARDY: I do not.
L7	THE HEARING OFFICER: Okay. Very good.
L8	Now I turn to our technical examiner, Dean McClure.
L9	Good afternoon. Are there any questions for Mr.
20	Bruce's witnesses?
21	MR. MCCLURE: Thank you, Mr. Hearing
22	Examiner. I have a quick question and a quick request
23	for an additional submittal. Mr. Bruce spoke towards
24	it, my question, and he may be able to address it, but
25	I can direct it to his witnesses as well at your

1	discretion.
2	THE HEARING OFFICER: Okay. Since I
3	don't know the question it's hard for me to direct it.
4	Is it a landman question or a geologist question?
5	MR. MCCLURE: It's a landman question.
6	THE HEARING OFFICER: Perfect.
7	MR. MCCLURE: It's in regard to CBR Oil
8	Properties, LLC being pooled.
9	THE HEARING OFFICER: Perfect. Let's
10	get him under oath. Would you turn on your camera,
11	please?
12	MR. BRUCE: Mr. Roberson, I think
13	you're connected by phone, maybe. Maybe your
14	MR. ROBERSON: I I think I'm
15	MR. BRUCE: Here he is.
16	THE HEARING OFFICER: We see you. We
17	can see you, sir. So would you raise your right
18	first, would you state and spell your name for the
19	record.
20	MR. ROBERSON: Full first, middle,
21	last, or
22	THE HEARING OFFICER: Yes, please.
23	Your full name.
24	MR. ROBERSON: Thomas Matthew Roberson.
25	That's T-H-O-M-A-S M-A-T-T-H-E-W R-O-B-E-R-S-O-N.

1	THE HEARING OFFICER: Okay. We're
2	going to get you sworn in.
3	WHEREUPON,
4	THOMAS MATTHEW ROBERSON,
5	called as a witness and having been first duly sworn
6	to tell the truth, the whole truth, and nothing but
7	the truth, was examined and testified as follows:
8	THE HEARING OFFICER: And Mr. McClure,
9	can you direct me to the page that you're going to be
10	referencing?
11	MR. MCCLURE: Yes, sir, Mr. Hearing
12	Examiner. It's on page 14 of 31 of the first
13	exhibits.
14	THE HEARING OFFICER: Fourteen I
15	see; 14 of 31. Okay, let me get there. Hold on one
16	second. Okay, I'm there. Thank you.
17	CROSS-EXAMINATION
18	BY MR. MCCLURE:
19	Q Mr. Roberson, it's also referenced in the
20	exhibit packet part 2, but Mr. Bruce had spoken
21	towards CBR Oil Properties, LLC no longer being
22	pooled; is that correct?
23	A That's correct.
24	Q Okay. On page 14 of 31 of the first exhibit
25	packet, this is the table that's listed unit ownership
	Page 20

1	summarization; are you looking at what I am?
2	A I I should be looking at it. Yeah. With
3	_
	the highlighted owners towards the bottom; is that the
4	one?
5	Q Yes, sir. That is correct.
6	A Okay.
7	Q Is it a typo on here that that CBR Oil
8	Properties, LLC is still highlighted?
9	A Yes. That hasn't been updated since they
10	since they signed JOA with us and and signed AFEs.
11	Q Okay. Thank you, sir.
12	A No problem.
13	MR. MCCLURE: Mr. Bruce, may I direct
14	your attention to page 11 of 31; that's the APD.
15	MR. BRUCE: Correct.
16	MR. MCCLURE: It's kind of 25.
17	THE HEARING OFFICER: Mr. Bruce it's
18	number 9; it's where it says pool information.
19	MR. BRUCE: Ah. Yes.
20	MR. MCCLURE: So Mr. Bruce, the only
21	reason I drew your attention to this is so I didn't
22	have to tell you a name over voice, but that is the
23	correct pool name that's listed there on that APD.
24	Please amend your pooling checklist and C-102 to
25	include that correct pool name. Now you do have the
	<u> </u>
	Page 21

1	correct pool code, but you have the incorrect pool
2	name.
3	MR. BRUCE: Yeah. Pooling checklist
4	and
5	MR. MCCLURE: C-102.
6	MR. BRUCE: pooling checklist and C-
7	102s?
8	MR. MCCLURE: That is correct, sir.
9	MR. BRUCE: No problem.
10	MR. MCCLURE: In addition to that, can
11	we get a new amended submission for the unit ownership
12	summarization table that has that CBR Oil Properties
13	no longer highlighted?
14	MR. BRUCE: Yes, we can do that.
15	MR. MCCLURE: Okay, thank you sir. I
16	have no other requests and no further oh, I have
17	one further question. Everything we just discussed
18	here in regards to this ownership, is that reflective
19	of both these cases?
20	MR. BRUCE: Yes.
21	MR. MCCLURE: Okay. If I have
22	MR. BRUCE: identical ownership in
23	both cases.
24	MR. MCCLURE: Okay. Thank you, sir.
25	That was my understanding. If we could do these exact
	Page 22

1	same corrections for both these cases.
2	MR. BRUCE: Yes, sir.
3	MR. MCCLURE: Okay. Thank you, sir.
4	Thank you, Mr. Hearing Examiner. I have no further
5	requests or questions.
6	THE HEARING OFFICER: Okay. Thank you,
7	Mr. McClure. So I admitted the exhibits in case
8	number 23823, but now I need to do the same in the
9	other case. So hold on one minute so I can look at
10	them. I'm now looking at 23824 and the exhibit
11	packets here. And Freya, we're going to do the same
12	clean up of the exhibit packets in this case as well.
13	MS. TSCHANTZ: Okay.
14	THE HEARING OFFICER: All right. So
15	looking at the orange copies, and in this case that
16	one is there. Okay, I see exhibits here, Exhibit 1,
17	the landman exhibits; 2, geologist exhibits; 3, I see
18	affidavit of mailing; 4, affidavit of publication; 5,
19	an application and proposed notice, are there any
20	objections to these exhibits?
21	(Exhibits 1 through 6 were marked for
22	identification.)
23	MS. HARDY: No objections.
24	THE HEARING OFFICER: These exhibits
25	are so admitted into evidence, and they will need to
	Page 23

1	be corrected as well. Mr. Bruce, are you clear about
2	the when you look at that exhibit this is the
3	same the pooling checklist. When you look here at
4	the pooling checklist at that item number 9, hold on a
5	second, or is it the C-10
6	MR. BRUCE: Yes, sir.
7	THE HEARING OFFICER: You are. So just
8	for my clarification, under number 9 I know the pool
9	code is correct, what is the pool name that you're
10	going to be putting here?
11	MR. BRUCE: Well, I think what
12	THE REPORTER: Can I ask Mr. Bruce to
13	turn his microphone on, please?
14	THE HEARING OFFICER: Sorry. Thank
15	you.
16	MR. BRUCE: On the pooling checklist,
17	for instance, I had put undesignated Upper Penn, and
18	as Mr. McClure pointed out it is actually a jumble of
19	words and letters, a wildcat Upper Penn pool. And so
20	I will change that accordingly.
21	THE HEARING OFFICER: So which is the
22	correct one is my question.
23	MR. BRUCE: Page 9.
24	THE HEARING OFFICER: So that is the
25	correct one?

1	MR. BRUCE: That is yeah. Paragraph
2	9 of page 9 is the correct pool name.
3	THE HEARING OFFICER: Very good. I
4	understand now. Okay. Very good. Mr. Bruce, is
5	there anything further?
6	MR. BRUCE: No. Just ask that the
7	matter be taken under advisement, Mr. Examiner.
8	THE HEARING OFFICER: Right. Right.
9	We will keep this record open to revise these
10	exhibits. When will you have them submitted?
11	MR. BRUCE: I would hope tomorrow, but
12	I would ask until Thursday.
13	THE HEARING OFFICER: Thursday. So
14	then we're going to have a fourth set of exhibits
15	then.
16	MR. BRUCE: Yes.
17	THE HEARING OFFICER: So what I'd like
18	to do, Mr. Bruce, is when you file your fourth set of
19	exhibits, please mark them as let's see, let me see
20	what you have here. You have a case number and then
21	you have application of Texas Standard operating for
22	compulsory pooling, and that's what you have on these
23	exhibits, part 2. And for part 1, just trying to
24	think of how I want them titled.
25	MR. BRUCE: Okay.

1	THE HEARING OFFICER: Say you have the
2	same thing application of could you would you
3	above above even the case number put fourth
4	would that be the third amended. We have the original
5	
6	MR. BRUCE: I guess it would be the
7	third amended.
8	THE HEARING OFFICER: Would you please
9	put third amended and final exhibits on your two
10	documents, have them a different color; you can't use
11	green, or orange, or yellow. You're going to have to
12	find another color.
13	MR. BRUCE: I like colors because I can
14	find them in files.
15	THE HEARING OFFICER: Right. And I
16	agree with you. And once we get those by the close of
17	business on Thursday, Freya will then take out this
18	set of documents as well, the orange ones.
19	MR. BRUCE: Now the only ones that will
20	change are the part one. And I don't mind re-filing
21	the part 2s.
22	THE HEARING OFFICER: Yes. Please
23	refile it as as a group.
24	MR. BRUCE: Okay.
25	THE HEARING OFFICER: That keeps it
	Page 26

1	
1	easier for us to make sense.
2	MR. BRUCE: I will do so.
3	THE HEARING OFFICER: Sounds good.
4	Anything else, Ms. Hardy?
5	MS. HARDY: No, Mr. Examiner. Thank
6	you.
7	THE HEARING OFFICER: Very good. Then
8	we are off the record. Thank you, Mr. McClure. It is
9	1:29 p.m.
10	(Whereupon, at 1:29 p.m., the
11	proceeding was concluded.)
