**JOINT MOTION TO VACATE AND RESCHEDULE HEARING**

The parties in this matter, Avant Operating, LLC, Magnum Hunter Production, Inc., Cimarex Energy, Cimarex Energy Company of Colorado, Coterra Energy, Inc., Franklin Mountain Energy 3, LLC, Permian Resources Operating, LLC, Foran Oil Company, and MRC Permian (the "Parties"), jointly move that the contested hearing that is currently set for Tuesday, October 8, 2024, be vacated and rescheduled for Tuesday, December 3, 2024, or in the alternative no later than 60 days after October 8, 2024. In support of this motion, the Parties state as follows:

1. Multiple scheduling conferences have been held, each attended by representatives of all parties.

2. The Division issued a Pre-Hearing Order dated July 26, 2024, consolidating Case Nos. 24632, 24633, and 24684-24687 and setting them for contested hearing on September 17, 2024.

3. The Division issued an Amended Pre-Hearing Order dated August 27, 2024, consolidating additional Case Nos. 24756-24767, and setting them for contested hearing on October 8, 2024.

4. All Parties have continued to engage in good faith settlement negotiations, and there is a possibility that some portion of the contested matters can be resolved prior to a contested hearing.

5. In addition, due to an unforeseen family emergency, Shane Kelly, Avant Operating, LLC's engineering expert and witness, will be unavailable to present testimony on the October 8, 2024, hearing date. An affidavit from Mr. Kelly to this effect is attached hereto as Exhibit A.

6. A later setting, such as to the mutually agreed Tuesday, December 3, 2024 date, will both allow all Parties to have their witnesses available for testimony, and provide the possibility of at least partial issue resolution, and thus a more succinct presentation of the issues to the Hearing Examiner.

7. No party will be prejudiced by delaying the hearing.

WHEREFOR, the Parties request that the contested hearing set for Tuesday, October 8, 2024, and all interim due dates be vacated and the hearing reset for Tuesday, December 3, 2024, or in the alternative no later than 60 days after October 8, 2024.

Respectfully submitted,
