APPLICATION OF MEWBOURNE OIL COMPANY
FOR COMPULSORY POOLING, EDDY COUNTY,
NEW MEXICO.

Case No. 24815

SELF-AFFIRMED STATEMENT OF TYLER HILL

Tyler Hill deposes and states:

1. I am over the age of 18, and have personal knowledge of the matters stated herein.
2. I am a geologist for Mewbourne Oil Company ("Mewbourne"), and I am familiar with the geological matters involved in these cases. I have been qualified by the Division as an expert petroleum geologist.
3. The following plats are attached hereto:
 - (a) Exhibit 3-A is an area locator plat, showing the well unit is near Carlsbad.
 - (b) Exhibit 3-B is a structure map on the top of the Wolfcamp of the area around Sections 4 and 5, Township 22 South, Range 27 East, NMPM. It shows that structure dips gently to the east-southeast. It also shows existing and proposed Wolfcamp wells in the area. It also shows a west-east line of cross-section.
 - (c) Exhibit 3-C is a west-east cross section of the Wolfcamp zones in this area. The logs on the cross-sections give a representative sample of the Wolfcamp zones in this area. The sands and shales are continuous and of relatively uniform thickness across the well units.

The proposed wells will test the Wolfcamp Y Sand (Well Nos. 715H and 717H) and the Wolfcamp C Shale (Well Nos. 825H and 827H).

4. I conclude from the maps that:
 - (a) The proposed horizontal Wolfcamp spacing units are justified from a geologic standpoint.
 - (b) The target zones are continuous and of uniform thickness across the well units.
 - (c) Each quarter section in each well unit will contribute more or less equally to production from a well.

EXHIBIT 3

25

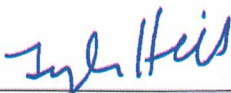

(d) There is no faulting or other geologic impediment in the area which will affect the drilling of the subject wells.

5. Other Wolfcamp wells drilled and proposed in this area are uniformly laydown well units.

6. Exhibits 3-D-1 through 3-D-4 contain copies of the horizontal drilling plans for the subject wells. The well locations are orthodox.

I understand that this Self-Affirmed Statement will be used as written testimony in these cases. I affirm that my testimony in paragraphs 1 through 6 above is true and correct and is made under penalty of perjury under the laws of the State of New Mexico. My testimony is made as of the date written next to my signature below.
