ATTORNEY

STATEMENT OF THE CASE

In **Case No. 24853**, BTA requests a one-year extension of time, until October 6, 2025, to commence drilling the well authorized by Order No. R-22909. The Division issued Order No. R-22909 in Case No. 23664 on October 6, 2024, which: approved a 320-acre, more or less, standard horizontal spacing unit comprised of the W/2 W/2 of Sections 22 and 27, Township 16 South, Range 36 East, Lea County, New Mexico; pooled uncommitted interests within the Pennsylvanian

Shale formation underlying the unit; dedicated the unit to the **Capitan 22301 27-22 State Com #19H** well; and designated Applicant as operator of the unit and well.

Applicant’s ability to commence drilling the Capitan 22301 27-22 State Com #19H well has been delayed due to gas takeaway constraints in the area. Additional gas takeaway capacity is estimated to be operational in the second quarter of 2025. Therefore, good cause exists for the requested extension.

PROCEDURAL MATTERS

Applicant initially filed a Consolidated Pre-Hearing Statement for this case along with Case Nos. 24851 and 24852 but subsequently continued this case to the October 31, 2024 hearing docket to allow BTA to complete notice. Now that notice has been completed, BTA intends to present this case by affidavit if there is no opposition to its application.

Respectfully submitted,
