

**STATE OF NEW MEXICO
DEPARTMENT OF ENERGY, MINERALS AND NATURAL RESOURCES
OIL CONSERVATION DIVISION**

**APPLICATION OF BTA OIL PRODUCERS, LLC
FOR COMPULSORY POOLING,
LEA COUNTY, NEW MEXICO.**

**CASE NO. 24489
ORDER NO. R-23293**

**BTA OIL PRODUCERS, LLC'S
MOTION TO VACATE ORDER NO. R-23293**

BTA Oil Producers, LLC (“BTA”), by and through its attorneys of record, respectfully requests that the Oil Conservation Division (“Division”) vacate Order No. R-23293. As grounds therefore, BTA states as follows.

1. On April 22, 2024, BTA filed its application to pool uncommitted interests in the Pennsylvanian Shale formation underlying a 279.37-acre, more or less, standard horizontal spacing unit comprised of the W/2 W/2 of Section 34, Township 16 South, Range 36 East, and Lot 4 (NW/4 NW/4 equivalent), SW/4 NW/4, and NW/4 SW/4 of irregular Section 3, Township 17 South, Range 36 East, Lea County, New Mexico (“Unit”).
2. BTA requested that the Unit be dedicated to the Capitan 22301 34-3 State Com #13H well (“Well”).
3. A hearing was held on June 13, 2024, and after considering the testimony, evidence, and recommendation of the Hearing Examiner, the Division entered Order No. R-23293 on August 14, 2024, which pooled uncommitted interests in the Unit and designated BTA as operator of the Well and the Unit.
4. BTA has amended its development plan in this area to allow for optimal well spacing and no longer intends to drill the well authorized by Order No. R-23293.

5. BTA therefore requests that the Division vacate Order No. R-23293.
6. No other parties have entered an appearance in this case.

WHEREFORE, BTA requests that the Division enter its Order vacating Order No. R-23293.

Respectfully submitted,

HINKLE SHANOR LLP
