JOINT MOTION FOR SECOND AMENDED PRE-HEARING ORDER

Empire New Mexico LLC, Goodnight Permian Midstream, LLC, and the Oil Conservation Division (collectively, “Parties”) hereby request that the Oil Conservation Commission (“Commission”) enter the agreed-upon second amended pre-hearing order attached hereto (“Attached Pre-Hearing Order”) for the limited purpose of amending the briefing schedule for motions to compel.

In support, the parties state as follows:

1. On June 3, 2024, the Commission entered the Pre-Hearing Order setting these matters, among others, for an evidentiary hearing beginning September 23-27, 2024.
2. On July 11, 2024, the Commission issued its Joint Order on Goodnight Midstream Permian L.L.C.’s Motion to Limit Scope of Hearing on Cases Within the Eunice Monument South Unit and the Oil Conservation’s Motion Concerning the Scope of the Evidentiary Hearing Set for

September 23-27, 2024. Therein, the Commission determined that the evidentiary hearing shall include the above-referenced cases only.

3. On August 30, 2024, the Commission issued its Order Granting Oil Conservation Division's Motion to Vacate and resetting the hearing to begin on February 20, 2025, and to continue thereafter on consecutive days unless and until otherwise ordered.

4. The Parties conferred and agreed on the deadlines set forth a proposed Amended Pre-Hearing Order.

5. The Hearing Officer entered an Amended Pre-Hearing Order on December 5, 2025.

6. Since that time, the parties have been engaged in continued discovery. The Hearing Officer issued an order on December 30, 2024, extending the deadline to request subpoenas for additional depositions and production of documents. Empire and Goodnight each issued subpoenas for an additional witness deposition and for additional documents pursuant to that order.

7. The depositions are currently scheduled to take place on January 17 and January 21, 2025, and the document productions have been completed as of January 21, 2025.

8. The current deadline to file motions to compel, however, is January 6, 2025.

9. Accordingly, to provide the parties time to complete the additional depositions and review the additional document productions to assess compliance with the subpoenas, the parties respectfully request that the briefing schedule for motions to be compel be amended.

10. Specifically, the deadline to file motions to compel should be amended to be January 24, 2025. Responses should be due no later than January 31, 2025. No replies shall be filed. Rulings shall be made pursuant to 19.15.4.16.C NMAC.

11. The Parties have conferred with intervenors who do not object to this Motion.

WHEREFORE, the Parties request that the Commission enter the attached Second Amended Pre-Hearing Order in preparation for the upcoming evidentiary hearing in February 2025.

Respectfully submitted,
