4. Applicant has sought and been unable to obtain voluntary agreement for the development of these lands from these additional mineral owners.

5. WHEREFORE, Applicant requests that this application be set for hearing before an Examiner of the Oil Conservation Division on March 13, 2025, and, after notice and hearing as required by law, the Division enter an order placing these additional mineral owners under the terms of Order No. R-21096, as amended.
