

**STATE OF NEW MEXICO
DEPARTMENT OF ENERGY, MINERALS AND NATURAL RESOURCES
OIL CONSERVATION DIVISION**

**APPLICATION OF COLGATE PRODUCTION,
LLC TO EXTEND TIME TO COMMENCE
DRILLING OPERATIONS,
EDDY COUNTY, NEW MEXICO**

**CASE NO. _____
ORDER NO. R-23220**

APPLICATION

Colgate Production, LLC ("Colgate") ("Colgate" or "Applicant") files this application with the Oil Conservation Division ("Division") requesting a one-year extension of time to commence drilling the wells authorized by Order No. R-23220 ("Order"). In support of its application, Colgate states the following.

1. The Division issued the Order in Case No. 24166 on May 22, 2024, pooling all uncommitted interests in the Bone Spring formation underlying a 243.28-acre, more or less, standard, horizontal spacing unit comprised of the N/2 S/2 of Section 7, Township 19 South, Range 28 East, and the N/2 SE/4 of Section 12, Township 19 South, Range 27 East, Eddy County, New Mexico ("Unit"), dedicating the Unit to the **Alpine 7-12 State 123H** and **Alpine 7-12 State 133H** wells ("Wells"), and designating Permian Resources Operating, LLC (OGRID No. 372165) as operator of the Unit and the Wells.
2. The Order requires Applicant to commence drilling the Wells within one (1) year of the date of the Order unless Applicant obtains a time extension from the Division Director for good cause shown.
3. Colgate has not yet commenced drilling the Wells because it intends to co-develop the Unit with the Terlingua wells, which were authorized by the Division under Order Nos. R-23697 and R-23696.
4. Good cause exists for extending the time to commence drilling the Wells.

5. Accordingly, Applicant requests that the Division extend the deadline to commence drilling the Wells to May 22, 2026.

WHEREFORE, Colgate requests that this application be set for hearing on June 5, 2025, and after notice and hearing, the Division extend the deadline for Colgate to commence drilling the Wells until May 22, 2026.

Respectfully submitted,
