**CASE NO. _____
ORDER NO. R-23453**

APPLICATION

Coterra Energy Operating Company (“Coterra” or “Applicant”), (OGRID No. 215099) successor to Avant Operating, LLC, (OGRID No. 330396), through its undersigned attorneys, hereby files this application with the Oil Conservation Division (“OCD” or “Division”) to amend Order No. R-23453 (“Order”) to allow for an extension of time for drilling the proposed initial wells under the Order. In support of its application, Coterra states:

1. Division Order No. R-23453, entered on October 10, 2024, in Case No. 24543, created a non-standard 1,280-acre, more or less, horizontal well spacing unit composed of all of Sections 25 and 36, Township 18 South, Range 33 East, N.M.P.M., Lea County, New Mexico (the “Unit”), and designated Coterra as operator of the unit.

2. Additionally, Order No. R-23453 pooled the uncommitted interests in the Wolfcamp formation in the Unit and dedicated the Unit to the proposed initial wells including: **Royal Oak 25 Fed Com #006 Well** (API No. 30-025-52841), **Royal Oak 25 Fed Com #007H Well** (API No. 30-025-53052), **Royal Oak 25 Fed Com #008H Well** (API 30-025-53264), and **Royal Oak 25 Fed Com #009H Well** (API No. 30-025-54152).

3. Paragraph 28 of Order No. R-23453 states: “The Operator shall commence drilling the Well(s) within one year after the date of this Order, and complete each Well no later than one (1) year after the commencement of drilling the Well.”

4. Further, Paragraph 29 of Order No. R-23453 states: "This Order shall terminate automatically if Operator fails to comply with Paragraph 28 unless Operator obtains an extension by amending this Order for good cause shown."

5. Good cause exists for Coterra's request for an extension of time due to Coterra's recent acquisition of the acreage at issue in the Unit. Coterra requires additional time to commence drilling of the remaining wells given its recent acquisition of this acreage.

6. Applicant requests that Order No. R-23453 be re-opened and amended to allow Applicant additional time to commence drilling the wells under the Order.

7. Under the Order, Applicant would be required to commence drilling the wells by October 10, 2025, and therefore, asks for the deadline to commence drilling the wells be extended for a year, to October 10, 2026.

WHEREFORE, Applicant requests that this application be set for hearing before an Examiner of the Oil Conservation Division on October 23, 2025, or November 13, 2025, and after notice and hearing as required by law, the Division enter an order extending the time for Coterra to commence drilling the proposed wells under the Order.

CASE _____: **Amended Application of Coterra Energy Operating Company to Amend Order No. R-23453 to Extend the Drilling Deadline, Lea County, New Mexico.** Applicant in the above-styled cause seeks a year extension time for drilling the remaining wells under Order No. R-23453 in case number 24543. The Unit is composed of All of Sections 25 and 36, Township 18 South, Range 33 East, N.M.P.M., Lea County, New Mexico. Coterra Energy Operating Company is the designated operator under the pooling order. Order No. R-23453 pooled the uncommitted interests in the Wolfcamp formation in the Unit and dedicated the Unit to the proposed initial wells including: **Royal Oak 25 Fed Com #006 Well** (API No. 30-025-52841), **Royal Oak 25 Fed Com #007H Well** (API No. 30-025-53052), **Royal Oak 25 Fed Com #008H Well** (API 30-025-53264), and **Royal Oak 25 Fed Com #009H Well** (API No. 30-025-54152). Said Unit areas are located approximately 28 miles west from Hobbs, New Mexico.

**STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

**IN THE MATTER OF APPLICATION FOR
COMPULSORY POOLING AND APPROVAL
OF NON-STANDARD SPACING UNIT
SUBMITTED BY AVANT OPERATING, LLC**

**CASE NO. 24543
ORDER NO. R-23453**

ORDER

The Director of the New Mexico Oil Conservation Division (“OCD”), having heard this matter through a Hearing Examiner on June 27, 2024, and after considering the testimony, evidence, and recommendation of the Hearing Examiner, issues the following Order.

FINDINGS OF FACT

1. Avant Operating, LLC (“Operator”) submitted an application (“Application”) to compulsory pool the uncommitted oil and gas interests within the spacing unit (“Unit”) described in Exhibit A.
2. The Application also seeks approval of a Non-Standard horizontal spacing unit for production from all Division-designated pools underlying the Unit.
3. Operator seeks to be designated the operator of the Unit.
4. Operator will dedicate the well(s) described in Exhibit A (“Well(s)”) to the Unit.
5. Operator proposes the supervision and risk charges for the Well(s) described in Exhibit A.
6. Operator identified the owners of uncommitted interests in oil and gas minerals in the Unit and provided evidence that notice was given.
7. Operator identified the owners of interest in the offset oil and gas minerals from the Unit and provided evidence that notice was given.
8. The Application was heard by the Hearing Examiner on the date specified above, during which Operator presented evidence through affidavits in support of the Application. No other party presented evidence at the hearing.

CONCLUSIONS OF LAW

9. OCD has jurisdiction to issue this Order pursuant to NMSA 1978, Section 70-2-17.
10. Operator is the owner of an oil and gas working interest within the Unit.

11. Operator satisfied the notice requirements for the Application and the hearing as required by 19.15.4.12 NMAC.
12. Operator has met the notice requirements for approval of non-standard horizontal spacing units in accordance with 19.15.16.15(B)(5) NMAC.
13. OCD satisfied the notice requirements for the hearing as required by 19.15.4.9 NMAC.
14. Operator has the right to drill the Well(s) to a common source of supply at the depth(s) and location(s) in the Unit described in Exhibit A.
15. OCD's rules allow the approval of a non-standard horizontal spacing unit, after notice and opportunity for hearing, "if necessary to prevent waste or protect correlative rights" 19.15.16.15(B)(5)(a) NMAC.
16. While the OCD is authorized to approve a non-standard spacing unit, Rutter & Wilbanks Corp. v. Oil Conservation Comm'n, 1975-NMSC-006, OCD lacks the authority to approve unitization and will disapprove an application if it determines that it is actually unitization. Order R-13554 (May 18, 2012) (disapproving application for a non-standard spacing unit consisting of 16 standard spacing units).
17. Approval of the Non-Standard Spacing Unit promotes effective well spacing and allows the Operator to therefore prevent waste and protect correlative rights.
18. The Unit contains separately owned uncommitted interests in oil and gas minerals.
19. Some of the owners of the uncommitted interests have not agreed to commit their interests to the Unit.
20. The pooling of uncommitted interests in the Unit will prevent waste and protect correlative rights, including the drilling of unnecessary wells.
21. This Order affords to the owner of an uncommitted interest the opportunity to produce his just and equitable share of the oil or gas in the pool.

ORDER

22. The Unit is approved as a non-standard horizontal spacing unit.
23. Operator shall file Forms C-102 reflecting the correct acreage dedicated for each of the Wells.
24. The uncommitted interests in the Unit are pooled as set forth in Exhibit A.
25. The Unit shall be dedicated to the Well(s) set forth in Exhibit A.

CASE NO. 24543
ORDER NO. R-23453

Page 2 of 8

26. Operator is designated as operator of the Unit and the Well(s).
27. If the location of a well will be unorthodox under the spacing rules in effect at the time of completion, Operator shall obtain the OCD's approval for a non-standard location in accordance with 19.15.16.15(C) NMAC.
28. The Operator shall commence drilling the Well(s) within one year after the date of this Order, and complete each Well no later than one (1) year after the commencement of drilling the Well.
29. This Order shall terminate automatically if Operator fails to comply with Paragraph 28 unless Operator obtains an extension by amending this Order for good cause shown.
30. The infill well requirements in 19.15.13.9 NMAC through 19.15.13.12 NMAC shall be applicable.
31. Operator shall submit each owner of an uncommitted working interest in the pool ("Pooled Working Interest") an itemized schedule of estimated costs to drill, complete, and equip the well ("Estimated Well Costs").
32. No later than thirty (30) days after Operator submits the Estimated Well Costs, the owner of a Pooled Working Interest shall elect whether to pay its share of the Estimated Well Costs or its share of the actual costs to drill, complete and equip the well ("Actual Well Costs") out of production from the well. An owner of a Pooled Working Interest who elects to pay its share of the Estimated Well Costs shall render payment to Operator no later than thirty (30) days after the expiration of the election period, and shall be liable for operating costs, but not risk charges, for the well. An owner of a Pooled Working Interest who fails to pay its share of the Estimated Well Costs or who elects to pay its share of the Actual Well Costs out of production from the well shall be considered to be a "Non-Consenting Pooled Working Interest."
33. No later than one hundred eighty (180) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the Actual Well Costs. The Actual Well Costs shall be considered to be the Reasonable Well Costs unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Reasonable Well Costs after public notice and hearing.
34. No later than sixty (60) days after the expiration of the period to file a written objection to the Actual Well Costs or OCD's order determining the Reasonable Well Costs, whichever is later, each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs shall pay to Operator its share of the

CASE NO. 24543
ORDER NO. R-23453

Page 3 of 8

Reasonable Well Costs that exceed the Estimated Well Costs, or Operator shall pay to each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs its share of the Estimated Well Costs that exceed the Reasonable Well Costs.

35. The reasonable charges for supervision to drill and produce a well ("Supervision Charges") shall not exceed the rates specified in Exhibit A, provided however that the rates shall be adjusted annually pursuant to the COPAS form entitled "Accounting Procedure-Joint Operations."
36. No later than within ninety (90) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the reasonable charges for operating and maintaining the well ("Operating Charges"), provided however that Operating Charges shall not include the Reasonable Well Costs or Supervision Charges. The Operating Charges shall be considered final unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Operating Charges after public notice and hearing.
37. Operator may withhold the following costs and charges from the share of production due to each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs: (a) the proportionate share of the Supervision Charges; and (b) the proportionate share of the Operating Charges.
38. Operator may withhold the following costs and charges from the share of production due to each owner of a Non-Consenting Pooled Working Interest: (a) the proportionate share of the Reasonable Well Costs; (b) the proportionate share of the Supervision and Operating Charges; and (c) the percentage of the Reasonable Well Costs specified as the charge for risk described in Exhibit A.
39. Operator shall distribute a proportionate share of the costs and charges withheld pursuant to paragraph 38 to each Pooled Working Interest that paid its share of the Estimated Well Costs.
40. Each year on the anniversary of this Order, and no later than ninety (90) days after each payout, Operator shall provide to each owner of a Non-Consenting Pooled Working Interest a schedule of the revenue attributable to a well and the Supervision and Operating Costs charged against that revenue.
41. Any cost or charge that is paid out of production shall be withheld only from the share due to an owner of a Pooled Working Interest. No cost or charge shall be withheld from the share due to an owner of a royalty interests. For the purpose of this Order, an unleased mineral interest shall consist of a seven-eighths (7/8) working interest and a one-eighth (1/8) royalty interest.

42. Except as provided above, Operator shall hold the revenue attributable to a well that is not disbursed for any reason for the account of the person(s) entitled to the revenue as provided in the Oil and Gas Proceeds Payment Act, NMSA 1978, Sections 70-10-1 *et seq.*, and relinquish such revenue as provided in the Uniform Unclaimed Property Act, NMSA 1978, Sections 7-8A-1 *et seq.*
43. The Unit shall terminate if (a) the owners of all Pooled Working Interests reach a voluntary agreement; or (b) the well(s) drilled on the Unit are plugged and abandoned in accordance with the applicable rules. Operator shall inform OCD no later than thirty (30) days after such occurrence.
44. OCD retains jurisdiction of this matter for the entry of such orders as may be deemed necessary.

Case No. 25677
Coterra Energy Operating Co. - Exhibit B

**STATE OF NEW MEXICO
ENERGY, MINERALS, AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

**APPLICATION OF COTERRA ENERGY
OPERATING COMPANY TO AMEND ORDER
NO. R-23453, LEA COUNTY, NEW MEXICO**

CASE NO. 25677

SELF-AFFIRMED STATEMENT OF ASHLEY ST. PIERRE

Ashley St. Pierre, being first duly sworn upon oath, deposes and states as follows:

1. My name is Ashley St. Pierre, and I am employed by Coterra Energy Operating Company (“Coterra”) as Senior Landman.
2. I have previously testified before the New Mexico Oil Conservation Division (“Division”), and my qualifications as an expert in petroleum land matters were accepted and made a matter of record. I have several years of experience in petroleum land matters, and I have worked directly or in a supervisory role with the properties that are the subject of this matter.
3. I am familiar with the application filed by Coterra in the above-referenced case and the status of the subject lands.
4. None of the uncommitted parties in this case have indicated opposition to proceeding by self-affirmed statement, and therefore I do not expect any opposition at the hearing.
5. Division Order No. R-23453 (the “Order”), entered on October 10, 2024, in Case No. 24543 created a non-standard 1,280 acre, more or less, horizontal well spacing unit composed of All of Sections 25 and 36, Township 18 South, Range 33 East, Lea County, New Mexico (the “Unit”), and designated Avant Operating, LLC (“Avant”) as operator of the unit. Order No. R-23453 further pooled the uncommitted interests in the Wolfcamp formation in the Unit and dedicated the Unit to the proposed initial **Royal Oak 25 Fed Com #006H** (API No. 30-25-52841),

Royal Oak 25 Fed Com #007H (API No. 30-25-53052), **Royal Oak 25 Fed Com #008H** (API No. 30-25-53264), and **Royal Oak 25 Fed Com #009H** (API No. 30-25-54152) wells.

6. Coterra has acquired the subject lands and acreage from Avant and is requesting additional time to drill the wells.

7. Under the original Order, Coterra would be required to commence drilling by October 10, 2025, and therefore, Coterra asks for the deadline to commence drilling be extended for a year, to October 10, 2026, thereby affording Coterra the opportunity to continue its development on the unit without interruption.

8. The Order allows for an extension for good cause, and in accordance with this requirement, Coterra states the following: Coterra is in good standing under state-wide rules and regulations with respect to Order No. R-23453 and has made progress toward the development of the unit since issuance of the Order by working to schedule a drilling rig, among other efforts, while facing the approaching one-year deadline, Coterra has experienced delays in planned development due to the acquisition and integration of Avant and Franklin Mountain Energy. Additionally, sudden changes in macro-economic conditions—volatile commodity price fluctuations and tariffs—have resulted in considerable economic uncertainty for Coterra's previously planned development. As a result, Coterra respectfully requests that an extension of time for the drilling commencement date be granted to ensure that development of the unit may proceed at a steadily planned pace.

9. The granting of this Application is in the best interests of conservation, the prevention of waste, and the protection of correlative rights, and will avoid the drilling of unnecessary wells.

10. **Coterra Exhibit C-1** is an updated copy of the pooling exhibit from original Case No. 24543, showing that several parties have conveyed their interest since the original pooling. Subsequent purchasers to Order R-23453 are indicated in yellow.

11. **Coterra Exhibit C-2**, is an estimated development plan and associated timeline associated for each well contained herein, not to exceed (5) years pursuant to the July 12, 2024, Notice of OCD Hearing Updates and Clarification of Processes.¹

12. None of the working interest owners that remain subject to these pooling orders have been asked at this time to make an election on the applicable wells, or to pay their estimated share of the costs to drill, complete and equip the applicable wells.

13. I hereby swear that to the best of my knowledge and belief, all of the matters set forth herein and in the exhibits are true, correct, and accurate.

TO: ALL INTEREST OWNERS SUBJECT TO SPACING AND POOLING PROCEEDINGS

Re: Application of Coterra Energy Operating Company to amend Order No. R-23453
("Order") to allow for an extension of time for drilling the proposed initial wells
under the Order. (Case No. 25677).

Dear Interest Owners:

This letter is to advise you that Coterra Energy Operating Company ("Coterra") has filed the enclosed application, Case No. 25677, with the New Mexico Oil Conservation Division to amend Order No. R-23453.

In Case No. 25677, Coterra seeks an Order from the Division to allow for a one year extension of time for drilling of the initial proposed wells under Order No. R-23453, issued in case number 24543. The Unit is a 1,280-acre non-standard horizontal well spacing unit comprised of all of Sections 25 and 36, Township 18 South, Range 33 East, Lea County, New Mexico.

A hearing has been requested before a Division Examiner on November 13, 2025, and the status of the hearing can be monitored through the Division's website. Division hearings will commence at 9:00 a.m. Mountain Standard Time, and will be conducted in a hybrid fashion, both in-person at the Energy, Minerals, Natural Resources Department, Wendell Chino Building, Pecos Hall, 1220 South St. Francis Drive, 1st Floor, Santa Fe, NM 87505 and via the Microsoft Teams virtual meeting platform. To view the hearing docket and to determine how to participate in the electronic hearing, visit the Division's website at: <https://www.emnrd.nm.gov/ocd/hearing-info/> or call (505) 476-3441.

You are being notified as an interest owner and are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from contesting the matter at a later date.

Parties appearing in cases who intend to present evidence are required by Division Rule 19.15.4.13.B NMAC to file a Prehearing Statement at least four business days in advance of a scheduled hearing, but in no event later than 5 p.m. mountain time on the Thursday preceding the scheduled hearing date. This statement must be submitted through the OCD E-Permitting system

BEATTY & WOZNIAK, P.C.

October 21, 2025
Case No. 25677
Page 2

(<https://wwwapps.emnrd.nm.gov/ocd/ocdpermitting/>) or via e-mail to ocd.hearings@emnrd.nm.gov and should include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing. The statement must also be provided to the attorney for the applicant, Jacob Everhart at jeverhart@bwenergylaw.com.

If you have any questions about this matter, please contact Trey Roberson at Trey.Roberson@coterra.com.

Sincerely,

Jacob L. Everhart

Attorney for Coterra Energy Operating Company

LEGAL NOTICE
October 30, 2025

STATE OF NEW MEXICO
ENERGY, MINERALS, AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION, SANTA FE, NEW MEXICO

The State of New Mexico, Energy, Minerals, and Natural Resources Department, Oil Conservation Division ("Division") hereby gives notice that the Division will hold public hearings before a hearing examiner on the following case.

The hearing will be conducted on **Thursday, November 13, 2025, beginning at 9:00 A.M. MST** in a hybrid fashion, both in-person at the Energy, Minerals, Natural Resources Department, Wendell Chino Building Pecos Hall, 1220 South St. Francis Drive, 1st Floor, Santa Fe, NM 87505 and via the Microsoft Teams meeting platform. To view the hearing docket and to determine how to participate in the electronic hearing visit the Division's website at: <http://www.emnrd.state.nm.us/OCD/hearing-info/> or contact Sheila Apodaca at Sheila.Apodaca@emnrd.nm.gov. Documents filed in the case may also be viewed at <https://ocdimage.emnrd.nm.gov/imaging/CaseFileView.aspx?CaseNo=25677>. If you are an individual with a disability who needs a reader, amplifier, qualified sign language interpreter, or other form of auxiliary aid or service to attend or participate in the hearing, contact Sheila Apodaca or the New Mexico Relay Network at 1-800-659-1779, no later than **November 6, 2025**.

STATE OF NEW MEXICO TO:

All named parties and persons
having any right, title, interest
or claim in the following case
and notice to the public.

(NOTE: All land descriptions herein refer to the New Mexico Principal Meridian whether or not so stated.)

TO: All interested parties, including: Enron Oil and Gas Company (EOG); T. H. McElvain Oil and Gas, LLLP; Caroline Wallace, Trustee of the Caroline Hissom Wallace Trust; Alexandra Carson Hissom, Trustee of the Alexandra Carson Hissom Trust; Julia Ann Hissom, Trustee of the Julia Ann Hissom Trust; Robert Davis Hissom, Trustee of the Robert Davis Hissom Trust; Keith Budd, Trustee of the Tamra Hissom Budd Trust; COG Operating, LLC; Kaiser-Francis Oil Company; Cresta Operating Partners LP; Nearburg Exploration Company, LLC; Mitchell Royalty Limited Partnership; Peggy P. McElvain, Individually; Peggy P. McElvain, Trustee of the Ralph C. McElvain Jr., Trust; Buckeye Energy, Inc.; Cibola Resources, LLC; Brian McGary, Trustee of the Brian Peter McGary 2017 Revocable Trust; Mary Jane McGary, Trustee of the Mary Jane McGary Trust; Seely Oil Company.

CASE NO. 25677: Application of Coterra Energy Operating Company to Amend Order No. R-23453 to Extend the Drilling Deadline, Lea County, New Mexico. Applicant in the above-styled cause seeks a one-year extension of time for drilling the initial proposed wells under Order No. R-23453 in case number 24543. The Unit is composed of All of Sections 25 and 36, Township 18 South, Range 33 East, N.M.P.M., Lea County, New Mexico. Coterra Energy Operating Company is the designated operator under the pooling order. Order No. R-23453 pooled the uncommitted interests in the Wolfcamp formation in the Unit and dedicated the Unit to the proposed initial wells including: Royal Oak 25 Fed Com #006 Well (API No. 30-025-52841), Royal Oak 25 Fed Com #007H Well (API No. 30-025-53052), Royal Oak 25 Fed Com #008H Well (API 30-025-53264), and Royal Oak 25 Fed Com #009H Well (API No. 30-025-54152). Said Unit areas are located approximately 28 miles west from Hobbs, New Mexico.
