OPERATING, LLC FOR COMPULSORY  
POOLING AND APPROVAL OF A NON-STANDARD

**CASE NO. 25709**

**MOTION TO CONTINUE**

Admiral Permian Operating, LLC (“Admiral”), through its undersigned counsel, hereby requests that the Division continue this matter to the February 5, 2026, hearing docket for presentation by affidavit. In support of this request for a continuance, Admiral states the following:

1) The companion Carrasco Case No. 25708 is set for a contested hearing on February 26, 2026.

2) Admiral hopes to avoid a contested hearing and a waste of the Division’s resources. The additional time will allow Admiral to negotiate with the parties. In the event an agreement is not reached, a continuance will allow Admiral to adequately prepare the companion matter under Case No. 25709 for an uncontested hearing.

Counsel for MRC Permian Company has been contacted and does not oppose the motion.

Respectfully submitted,

HARDY McLEAN LLC
