APPLICANT'S STATEMENT OF THE CASES

Catamount seeks an order to amend Order No. R-23613 ("Pooling Order") to (1) extend the drilling deadline under compulsory pooling Order No. R-23613, as amended, and (2) add an additional initial well to the Pooling Order. On December 24, 2024, the Division entered Order No. R-23613 in Case No. 24830, which approved a non-standard 1,941.18-acre, more or less, horizontal spacing unit in the Mancos formation (Basin Mancos (Gas) [97232]) comprised of Lots 1-4, S/2 N/2 and SE/4 (All equivalent) of irregular Section 9, Lots 1-4, S/2 N/2 and S/2 (All

equivalent) of irregular Sections 10 and 11, and Lots 1-4, S/2 N/2, SW/4 and NW/4 SE/4 of irregular Section 12, Township 32 North, Range 6 West, NMPM, San Juan and Rio Arriba Counties, New Mexico (the “Unit”), and pooled the uncommitted interests therein. Catamount is the designated operator under the Pooling Order and the pooled spacing unit is initially dedicated to the proposed **Miller Mesa 32-6-10 1H** (API No. Pending), **Miller Mesa 32-6-11 1H** (API No. Pending), and **NLN 32-6-9 2H** (API No. 30-045-38534). Catamount requests to amend the Pooling Order and add the **NLN 32-6-9 1H** (API No. Pending) to the Pooling Order as an initial well. Additionally, there is good cause for Applicant’s request for a second extension of time to drill.

APPLICANT’S PROPOSED EVIDENCE

WITNESS Name and Expertise	ESTIMATED TIME	EXHIBITS
Denise Greer, Landman	Self-Affirmed Statement	Approx. 4

PROCEDURAL MATTERS

Pursuant to the original Pooling Order, Catamount requests that the Division enter an order granting the extension request and adding the additional initial well if there are no objections.

Respectfully submitted,

HOLLAND & HART LLP
