

**STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

**IN THE MATTER OF THE APPLICATION OF
SPUR ENERGY PARTNERS LLC TO RE-OPEN
ORDER NO. R-24036, EDDY COUNTY, NEW MEXICO**

CASE NO. 26288

INTERIM ORDER STAYING SUBPOENA AND HOLDING PROCEEDINGS IN ABEYANCE

This matter came before the Division upon Longfellow Energy, LP's *Motion to Dismiss Spur Energy Partners LLC's Application to Re-Open Order No. R-24036* and Longfellow's related request that the Division stay or quash Spur's subpoena pending resolution of that Motion. Having reviewed the Motion and being otherwise fully advised in the premises, the Division finds:

1. Longfellow's Motion to Dismiss identifies threshold procedural questions concerning whether Spur's Application presents any cognizable basis for Division relief in this procedural posture.
2. Spur's subpoena was issued solely in aid of the Application now subject to the Motion to Dismiss. Longfellow has requested that the subpoena "fall with" the Application or that response obligations be stayed pending resolution of the Motion.
3. In the interest of fairness to all parties, the Division will allow Spur an opportunity to file a written response to the Motion to Dismiss on or before the close of business July 14, 2026.
4. Because the Motion challenges the procedural viability of the Application itself, it is appropriate to stay discovery obligations associated with the subpoena until the Division determines whether the underlying Application will proceed to hearing.

IT IS THEREFORE ORDERED THAT:

1. **All obligations arising under Spur's subpoena are hereby STAYED** pending the Division's ruling on Longfellow's Motion to Dismiss.
2. Spur Energy Partners LLC may file a written response to the Motion to Dismiss within the timeframe established above.
3. Following receipt of Spur's response, the Division will determine whether a reply is necessary and whether the Motion to Dismiss may be decided on the filings or requires further proceedings.

4. This Interim Order does **not** constitute a determination on the merits of the Motion to Dismiss or on the validity of Spur's Application.
5. The stay imposed herein will remain in effect unless and until lifted by further order of the Division.

IT IS SO ORDERED.

GREGORY CHAKALIAN

Hearing Examiner, Oil Conservation Division
